

# REMINGTON 700 HIT TRIGGERS - TIMNEY REMINGTON 700 STRAIGHT TRIGGER BLACK 8 OZ

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## A Purpose-Built Long-Range Trigger Designed By Consumer Demands

Thanks to the growing popularity of long-range shooting, Timney Triggers customers have been clamoring for a purpose-built long range trigger that's perfect for precision Remington 700 actions and clones. With the Timney Hit trigger, company engineers condensed all of these features demanded by Timney customers into one perfect trigger designed to aid long-range shooters in ringing steel. The Timney Hit trigger rises above other Model 700 triggers in the company's lineup, thanks to an all-new geometry that's easy to use and adjustable from 8 ounces to 2 pounds. Each component inside the Hit trigger is machined. There are no MIM parts inside the trigger, nor are there any stamped components. Every piece is a solid chunk of metal that's designed to last and provide premium performance. The Timney Hit trigger is available with either straight or curved trigger shoes, and the triggers can be had in black or nickel finishes.

# Safety Instruction Guide for REMINGTON 700 HIT TRIGGERS TIMNEY REMINGTON 700 STRAIGHT TRIGGER BLACK 8 OZ

## Introduction

Thank you for choosing the Timney Hit Trigger for your Remington 700. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your new trigger. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the trigger is installed correctly before using the firearm.
- Only use the trigger with compatible Remington 700 actions and clones.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and modifications.

## Specific Safety Precautions for Use

- Ensure the safety mechanism of your firearm is engaged when handling or installing the trigger.
- Do not modify the trigger or any of its components beyond the manufacturer's specifications.
- Avoid using the trigger in wet or humid conditions to prevent corrosion.
- Be aware of your surroundings and ensure a safe environment when testing or using your firearm.
- If you experience any malfunctions or irregularities during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing trigger assembly from the Remington 700 action.
- Carefully install the Timney Hit Trigger according to the manufacturer's instructions.
- Adjust the trigger weight using the provided adjustment mechanism, ensuring it is set between 8 ounces and 2 pounds as per your preference.
- Reassemble the firearm and perform a function check to ensure proper installation.

### 2. Usage:

- Always wear appropriate eye and ear protection when using your firearm.
- Practice safe handling techniques, including keeping your finger off the trigger until ready to shoot.
- Familiarize yourself with the trigger's responsiveness and adjust as needed before live fire.
- Store your firearm in a secure location when not in use.

## Disposal Instructions

- Dispose of the trigger and any components in accordance with local regulations regarding hazardous materials.
- Do not dispose of the trigger in regular household waste.
- Check with local waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your Timney Hit Trigger, please refer to the manufacturer's contact information provided with your product. Always ensure that you are using the trigger in accordance with the guidelines set forth in this document.

## **Conclusion**

By following these safety guidelines, you can ensure a safe and enjoyable experience with your Timney Hit Trigger. Always prioritize safety and compliance with local laws when using firearms. Thank you for your attention to these important instructions.
