

# REMINGTON 700 HIT TRIGGERS - TIMNEY REMINGTON 700 CURVED TRIGGER NICKEL PLATED 8 OZ

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## A Purpose-Built Long-Range Trigger Designed By Consumer Demands

Thanks to the growing popularity of long-range shooting, Timney Triggers customers have been clamoring for a purpose-built long range trigger that's perfect for precision Remington 700 actions and clones. With the Timney Hit trigger, company engineers condensed all of these features demanded by Timney customers into one perfect trigger designed to aid long-range shooters in ringing steel. The Timney Hit trigger rises above other Model 700 triggers in the company's lineup, thanks to an all-new geometry that's easy to use and adjustable from 8 ounces to 2 pounds. Each component inside the Hit trigger is machined. There are no MIM parts inside the trigger, nor are there any stamped components. Every piece is a solid chunk of metal that's designed to last and provide premium performance. The Timney Hit trigger is available with either straight or curved trigger shoes, and the triggers can be had in black or nickel finishes.

## Attributes

- Name: [TIMNEY REMINGTON 700 CURVED TRIGGER NICKEL PLATED 8 OZ](#)
- Manufacturer: [TIMNEY](#)
- Product no.: 883000137

# **Safety Instruction Guide for REMINGTON 700 HIT TRIGGERS TIMNEY REMINGTON 700 CURVED TRIGGER NICKEL PLATED 8 OZ**

## **Introduction**

Thank you for choosing the Timney Hit Trigger for your Remington 700. This guide provides essential safety instructions to ensure safe and effective use of your product. Please read this guide carefully before installation and use.

## **General Safety Guidelines**

- Ensure that the trigger is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the trigger and firearm stored securely and out of reach of children.
- Regularly inspect the trigger for any signs of wear or damage.
- Do not attempt to modify or alter the trigger in any way.
- Always use appropriate safety gear, including eye and ear protection, when handling firearms.

## **Specific Safety Precautions for Use**

- Only use the Timney Hit Trigger with Remington 700 actions and clones.
- Ensure that the trigger pull weight is set appropriately for your shooting needs, ranging from 8 ounces to 2 pounds.
- Avoid using the trigger in wet or humid conditions to prevent corrosion.
- Do not use the trigger if it has been subjected to any impact or if it shows signs of malfunction.
- Always ensure that the firearm is unloaded before installing or adjusting the trigger.

## **Instructions for Installation and Usage**

### **1. Installation Steps:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger from the firearm according to the manufacturer's instructions.
- Carefully install the Timney Hit Trigger by following the provided installation manual.
- Adjust the trigger pull weight to your preference using the adjustment screw.
- Ensure all components are securely fastened before reassembling the firearm.

### **2. Usage Guidelines:**

- Familiarize yourself with the trigger's operation before taking it to the range.
- Practice dry firing in a safe environment to get accustomed to the trigger's feel.
- Always follow standard firearm safety rules when using your firearm equipped with the Timney Hit Trigger.

## **Disposal Instructions**

- Dispose of the trigger in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Consider recycling metal components where applicable.

## **Contact Information for Further Support**

For any safety inquiries or support related to your Timney Hit Trigger, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety while using your Timney Hit Trigger. Enjoy your shooting experience responsibly!
