# Safety Instruction Guide for AR/SIG MCX Daniel Horner Signature 2Stage Adjustable Trigger

## Introduction

Thank you for choosing the AR/SIG MCX Daniel Horner Signature 2Stage Adjustable Trigger by Timney. This guide provides essential safety instructions to ensure the safe use and maintenance of your trigger. It is important to read and understand these guidelines before installation and use.

## General Safety Guidelines

- Always handle firearms with care, treating every firearm as if it is loaded.
- Ensure that the trigger is installed by a qualified gunsmith or an experienced individual.
- Read and follow all instructions provided with your firearm and trigger.
- Store the trigger and all firearm-related items securely and out of reach of children.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Do not modify the trigger or firearm in any way that is not recommended by the manufacturer.
- In case of any malfunction, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- **Trigger Pull Weight:**
  - Stage #1 is set at 8 ounces and is not adjustable. Ensure that you are comfortable with this pull weight before use.
  - Stage #2 is adjustable between 1.25 lbs and 3 lbs. Adjust only when the firearm is unloaded and pointed in a safe direction.
- **Installation Precautions:**
  - Ensure the firearm is completely unloaded before installation.
  - Follow the manufacturer's instructions for installation carefully.
- **Usage Precautions:**
  - Always ensure that your finger is off the trigger until you are ready to shoot.
  - Be aware of your surroundings and ensure a clear and safe shooting environment.
- **Vulnerable Groups:**
  - Keep the trigger and firearm away from children and unauthorized users.
  - Educate all users on firearm safety principles.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:**
  - Ensure the firearm is unloaded.
  - Gather necessary tools for installation.
2. **Remove Existing Trigger:**

- Follow the instructions provided with your firearm to safely remove the existing trigger.

### **3. Install the New Trigger:**

- Position the new AR/SIG MCX trigger in the trigger assembly.
- Securely fasten the trigger following the manufacturer's specifications.

### **4. Adjust Stage #2:**

- Use the appropriate tools to adjust the pull weight of Stage #2 if desired.
- Test the adjustment to ensure it meets your preference, keeping safety in mind.

### **5. Final Check:**

- After installation, perform a function check to ensure the trigger operates correctly.
- Ensure that the trigger is responsive and does not exhibit any signs of malfunction.

## **Usage Instructions**

- Always point the firearm in a safe direction when handling.
- Engage the safety mechanism when the firearm is not in use.
- Regularly practice safe handling and shooting techniques.

## **Disposal Instructions**

- Dispose of the trigger in accordance with local regulations.
- If the trigger is damaged or no longer usable, consider returning it to the manufacturer for proper disposal.

## **Contact Information for Further Support**

For any questions regarding safety or product performance, please consult the manufacturer's support resources. It is crucial to ensure that you have the most current information regarding your product.

By following these guidelines, you can help ensure a safe and enjoyable experience with your AR/SIG MCX Daniel Horner Signature 2Stage Adjustable Trigger. Always prioritize safety and responsibility in all firearm-related activities.
