

# ENFIELD TRIGGERS - TIMNEY E1-4-SP TRIGGER FITS 1917 ENFIELD (5 SHOT MAG) REM 30

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

CNC machining and advanced metallurgy provide a durable, reliable replacement trigger for stock military and sporterized Mauser, Springfield and Enfield rifles. Adjusts for pull weight, (2-4 lb.), creep and overtravel. Lock nuts hold settings. Excellent replacement for that heavy military trigger. No safety.

# ENFIELD TRIGGERS TIMNEY E14SP TRIGGER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the ENFIELD TRIGGERS TIMNEY E14SP TRIGGER, designed for use with the 1917 Enfield rifle. This product has been engineered using CNC machining and advanced metallurgy to provide a durable and reliable replacement trigger. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the trigger is installed correctly to prevent accidental discharge.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and trigger assembly in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- The TIMNEY E14SP TRIGGER is designed for use with the 1917 Enfield rifle. Do not attempt to install it on any other firearm model.
- This trigger does not include a safety mechanism. Always be aware of this when handling the firearm.
- Adjust the pull weight, creep, and overtravel carefully. Ensure that lock nuts are tightened to maintain your settings.
- Familiarize yourself with the trigger's functionality before using it in the field.
- Use appropriate personal protective equipment (PPE), such as eye protection, when handling firearms.

## Instructions for Installation and Usage

### Installation

1. **Safety First:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Trigger:** Follow the manufacturer's instructions to safely remove the existing trigger from the firearm.
3. **Install the TIMNEY E14SP Trigger:**
  - Align the trigger with the mounting points on the firearm.
  - Securely fasten the trigger using the provided screws.
4. **Adjust Settings:**
  - Use an appropriate tool to adjust the pull weight between 24 lbs, creep, and overtravel.
  - Tighten the lock nuts to secure your adjustments.

### Usage

- Always perform a function check after installation to ensure that the trigger operates correctly.
- Practice safe handling techniques and be aware of your surroundings when using the firearm.
- Regularly check the trigger settings to ensure they remain secure and functional.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the trigger in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please consult your local firearms authority or the retailer from whom you purchased the trigger. They can provide further assistance and guidance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ENFIELD TRIGGERS TIMNEY E14SP TRIGGER. Thank you for your attention to safety!
