Safety Instruction Guide for FEATHERWEIGHT TRIGGERS TIMNEY FW FITS MAUSER MODEL 98K GEW MILITARY

Introduction

Thank you for purchasing the FEATHERWEIGHT TRIGGERS TIMNEY FW FITS MAUSER MODEL 98K GEW MILITARY. This product is designed to enhance your shooting experience with its handhoned and fitted design for a crisp, clean trigger pull. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms and firearm components with care and respect.
- Ensure that the firearm is unloaded before installing or adjusting the trigger.
- Keep the trigger and firearm away from children and unauthorized users.
- Do not modify the trigger or firearm in any way that is not recommended by the manufacturer.
- Regularly check for any signs of wear or damage to the trigger and firearm.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Weight of Pull Adjustment:** Adjust the trigger weight only when the firearm is unloaded and in a safe environment.
- **Creep and Overtravel Adjustments:** Make these adjustments carefully and ensure that they do not compromise the safety of the firearm.
- **Lock Nuts:** After making any adjustments, ensure that the lock nuts are securely tightened to maintain the settings.
- **No Safety Feature:** Be aware that the Featherweight (FW) trigger does not include a safety feature. Always treat the firearm as if it is loaded.
- **Use Appropriate Ammunition:** Ensure that you are using the correct ammunition for your Mauser Model 98K Gew military firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools for installation, including a screwdriver and wrenches.

2. Installation:

- Remove the existing trigger from the firearm according to the manufacturer's instructions.
- Align the Featherweight trigger with the trigger housing.
- Securely attach the trigger using the provided screws and ensure all connections are tight.

3. Adjustment:

- Adjust the weight of pull by turning the adjustment screw to the desired setting (1.5 4 lb.).
- Adjust creep and overtravel as needed, ensuring that each adjustment is made with care.
- Tighten the lock nuts to secure your adjustments.

4. Testing:

- After installation and adjustment, test the trigger in a safe and controlled environment.
- Ensure that the trigger operates smoothly and that the weight of pull is as desired.

5. Regular Maintenance:

- Periodically check the trigger for any signs of wear or loosening of screws.
- Clean the trigger and surrounding area to maintain functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous waste.
- Do not dispose of the product in regular household waste.
- Contact local authorities for guidance on proper disposal methods.

Contact Information for Further Support
