WINCHESTER 70 TRIGGERS TIMNEY WINCHESTER 70 Safety Instruction Guide

Introduction

Thank you for choosing the WINCHESTER 70 TRIGGERS TIMNEY WINCHESTER 70. This product is designed for safe and effective use in enhancing the performance of your Winchester bolt action rifle. Please read this safety instruction guide carefully to understand how to use the product safely and effectively in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the trigger is installed by a qualified gunsmith if you are not familiar with firearm modifications.
- Always follow the manufacturer's instructions during installation and usage to avoid accidents.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the trigger for wear and proper function to ensure safety and reliability.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to accidental discharges.
- Failure to adjust the trigger correctly can cause unintended firing.

- **Avoiding Hazards:**

- Always ensure the firearm is unloaded before installation or adjustment.
- Use the lock nuts provided to secure your settings and prevent accidental adjustments.
- Do not exceed the specified weight of pull adjustments (11/2 to 4 lb. for standard models).
- Regularly check overtravel adjustments to ensure they remain within safe limits.

- **Audience Specific Warnings:**

- This product is intended for use by individuals aged 18 and over who are experienced in handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the manufacturer's instructions.
- Install the WINCHESTER 70 trigger by following these steps:
 - Align the trigger with the mounting points.
 - Securely fasten the trigger using the appropriate screws provided.
 - Ensure the trigger is properly seated and functions correctly before proceeding.

2. Adjustment:

- Adjust the weight of pull using the designated screws, ensuring it is set between 11/2 to 4 lbs.
- Adjust creep and overtravel according to your preference, ensuring all adjustments are secure with

lock nuts.

3. **Testing:**

- After installation and adjustment, conduct a function test in a safe environment.
- Ensure the trigger operates smoothly without any hindrance.

4. **Usage:**

- Always handle the firearm responsibly and in accordance with local laws and regulations.
- Regularly verify that the trigger settings remain secure and functional.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the trigger or any components become damaged beyond repair, consult local regulations for the proper disposal of firearmsrelated materials.

Contact Information for Further Support

For any questions or concerns regarding the WINCHESTER 70 TRIGGERS TIMNEY WINCHESTER 70, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for prioritizing safety and compliance in your use of this product. Enjoy your enhanced shooting experience!
