

RUGER® M77® MK II™ ADJUSTABLE TRIGGER KIT - TIMNEY MK II RIGHT-HAND TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Drop-In Kit Greatly Improves Trigger Pull & Function

All stainless steel, drop-in kit does away with the non-adjustable, factory trigger and its heavy pull, for improved accuracy and more enjoyable shooting. Conveniently-placed set screws are adjustable for let-off, weight of pull (1.5 to 3lb.) and overtravel. Parts are fully-finished; heat treated for durability and ready-to-install; requires no alteration to the factory parts. Kit includes trigger, sear, reduced weight spring and instructions. Use factory spring to set heavier weight of pull.

RUGER® M77® MK II™ Adjustable Trigger Kit

Safety Instructions

Introduction

Thank you for choosing the RUGER® M77® MK II™ Adjustable Trigger Kit by TIMNEY. This manual provides essential safety instructions and guidelines to ensure the safe and effective use of your new trigger kit. Please read this document carefully before installation and use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are in a safe environment when handling firearms and related components.
- Keep the trigger kit and all firearm components out of reach of children and unauthorized users.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Regularly inspect your firearm and its components for wear or damage.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to accidental discharge.
 - Adjusting the trigger weight incorrectly can affect firearm performance.
- **Avoiding Hazards:**
 - Ensure the firearm is unloaded before beginning installation.
 - Follow the installation instructions carefully to avoid incorrect setup.
 - Do not exceed the recommended weight of pull (1.5 to 3lb) when adjusting the trigger.
- **Age Restrictions:**
 - This product is intended for use by adults only. Keep away from children.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have a clean and welllit workspace.
- Gather necessary tools (screwdriver, etc.) and safety gear.

2. Installation:

- Unload the firearm and ensure it is pointed in a safe direction.
- Remove the factory trigger according to the manufacturer's instructions.
- Install the new TIMNEY trigger by following these steps:
 - Place the new trigger in the trigger housing.
 - Align the sear and reduced weight spring as per the included instructions.
 - Secure the trigger using the provided screws.
- Adjust the set screws for letoff, weight of pull, and overtravel as desired.
- Use the factory spring if a heavier weight of pull is needed.

3. Usage:

- After installation, conduct a function check to ensure the trigger operates correctly.
- Always check the weight of pull before using the firearm.
- Regularly inspect the trigger for any signs of wear or malfunction.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the RUGER® M77® MK II™ Adjustable Trigger Kit, please refer to the manufacturer's website or your point of purchase for support and assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new trigger kit. Thank you for prioritizing safety in your firearm usage.
