

COTTON TIPPED APPLICATORS - BROWNELLS COTTON TIPPED APPLICATORS 6" LENGTH 500/PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Swabs](#)

Get Down In Where You Really Want To Do The Job

We first spotted cotton-tipped applicators in pro use when touring the beautiful gunsmith shop at the FBI Academy in Quantico, VA. Beside each vise was a handful of them where one could be quickly grabbed for a host of uses - lubrication, cleaning down inside actions, getting into barrel chambers and for touch-up bluing of spots on barrels, frames and sights. The uses are limitless!

Attributes

COTTON TIPPED APPLICATORS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Brownells Cotton Tipped Applicators. These versatile tools are designed for various applications such as lubrication, cleaning, and touchup bluing. To ensure safe and effective usage, please read this safety instruction guide carefully.

General Safety Guidelines

- Always keep cottontipped applicators out of reach of children to prevent accidental use or ingestion.
- Inspect the applicators before use. Discard any that are damaged or have loose cotton tips.
- Use the applicators only for their intended purposes. Do not use them for any other applications not specified in this guide.
- Store the applicators in a cool, dry place, away from direct sunlight and moisture.
- Follow all local regulations regarding the disposal of materials used with the applicators.

Specific Safety Precautions for Use

- Avoid contact with eyes and mucous membranes. If contact occurs, rinse thoroughly with water.
- Do not use the applicators with flammable substances or in flammable environments.
- Use caution when applying cleaning or lubricating agents. Ensure proper ventilation and avoid inhaling fumes.
- If any irritation occurs while using the applicators, discontinue use immediately and consult a healthcare professional.

Instructions for Installation and Usage

1. Preparation:

- Before using the cottontipped applicators, gather all necessary materials and ensure your workspace is clean and organized.

2. Usage:

- Remove a cottontipped applicator from the packaging.
- Use the applicator to apply cleaning or lubricating agents as needed.
- For cleaning, gently insert the applicator into the area to be cleaned and wipe away debris.
- For lubrication, dip the applicator into the lubricant and apply it to the desired area.

3. After Use:

- Dispose of the cottontipped applicator after single use.
- Do not attempt to clean or reuse the applicators.

Disposal Instructions

- Dispose of used cottontipped applicators in accordance with local waste disposal regulations.
- Do not flush applicators down the toilet or dispose of them in a manner that could harm the environment.

Contact Information for Further Support

For any inquiries regarding safety or product information, please contact your local retailer or the manufacturer directly.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your Brownells Cotton Tipped Applicators. Thank you for your attention to safety!
