Introduction

Thank you for choosing the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. This guide provides essential safety instructions to ensure the safe and effective use of these precisionengineered tools. It is crucial to follow these guidelines to prevent accidents and ensure optimal performance.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the work area is welllit and free from clutter.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Keep the tools out of reach of children and unauthorized users.
- Regularly inspect tools for damage and wear before each use.
- Follow all local regulations regarding tool usage and safety.

Specific Safety Precautions for Use

- Handle drills with care to avoid injury. Always keep hands and fingers away from the drill bit while in operation.
- Use the correct drill size for your application to prevent breakage or malfunction.
- Ensure that the drill is securely mounted in a drill press or held firmly in a hand drill before use.
- Do not force the drill; let the tool do the work to prevent overheating and damage.
- Always use a suitable workpiece support to stabilize the material being drilled.
- Avoid distractions while operating the drill to maintain focus and control.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the drill bit is compatible with your drilling machine.

2. Installation:

- Insert the drill bit into the chuck of the drill.
- Tighten the chuck securely to prevent the bit from slipping during operation.
- Check that the drill is set to the correct speed for the material being drilled.

3. Usage:

- Position the drill bit at the desired drilling point.
- Apply gentle pressure to start the drilling process.
- Maintain a steady hand and control the drill's speed to ensure precision.
- If the drill bit becomes stuck, stop the drill immediately and carefully remove the bit before continuing.

4. PostUse:

- Turn off and unplug the drill after use.
- Clean the drill and bit to remove any debris or residue.

- Store the drill in a safe and dry location, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or worn drill bits responsibly, following local regulations for hazardous materials if applicable.
- Recycle packaging materials where possible to minimize environmental impact.
