JOBBER LENGTH WIRE GAUGE DRILLS The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are precision-engineered tools designed for gunsmiths, machinists, and professionals seeking reliable performance in detailed drilling tasks. With exceptional craftsmanship and durability, these drills ensure consistent and accurate results for a variety of applications. Key Features: High-Speed Steel (HSS) Construction: Crafted from premium-grade high-speed steel, these drills offer excellent durability and heat resistance, standing up to rigorous use over time. Jobber-Length Design: The jobber-length configuration provides the optimal combination of reach and rigidity, ensuring precise, straight drilling with minimal flex. Wire Gauge Sizing: Offered in a comprehensive range of wire gauge sizes, these drills are perfect for intricate and precise work, particularly in gunsmithing and fine machining applications. Precision-Cut Edges: Engineered with sharp, precision-ground cutting edges, these drills minimize wandering and chipping, resulting in clean and consistent holes. Applications: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are particularly suited for gunsmithing applications such as drilling precise pinholes, sight mount installations, and other firearm modifications. They are equally effective for fine detail work in metals, plastics, and other materials. Specs: Made of High Speed Steel 135° Self-Centering Point Coating/Finish: Black Oxide Customer Feedback: Users consistently commend the durability and precision of these wire gauge drills. The wide range of available sizes is appreciated for its versatility, and the jobber-length design is praised for its balance and control during intricate tasks. Summary: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are an excellent choice for professionals and enthusiasts requiring high-quality, reliable tools for detailed drilling. With their durable high-speed steel construction, precision-engineered cutting edges, and extensive size range, these drills deliver exceptional performance for gunsmithing and beyond. Trusted by professionals, Triumph Twist Drill Co. provides the quality and dependability needed for even the most demanding projects.

Attributes

- Name: [TRIUMPH TWIST DRILL CO. JOBBER LENGTH WIRE GAUGE DRILL 10J \(.1935"\) DIAMETER](#)
- Manufacturer: [TRIUMPH TWIST DRILL CO.](#)
- Product no.: 891110193
- Mfr. No.:
- Bit Size: 0.1935
- Colour: Black Oxide
- Material: High Speed Steel
- Style: Wire Gauges Drill Bits- Drill Bit Style
- Delivery weight: 0.009kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 086839124100

Safety Instruction Guide for JOBBER LENGTH WIRE GAUGE DRILLS

Introduction

Thank you for choosing the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. These precision engineered tools are designed for safe and effective use in various drilling applications. This guide provides essential safety instructions and guidelines to ensure your safe use of these drills in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the drills by following all safety instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any product recalls. The manufacturer will provide standardized recall notices and remedies for any dangerous products.
- **Online Shopping:** If purchased online, ensure that the seller meets the necessary safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** Extra care should be taken when using these drills around vulnerable groups, especially children. Keep tools out of reach.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Stay updated on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety goggles and gloves, when using the drills.
- **Work Area Safety:** Ensure your work area is clean, well lit, and free from clutter. Avoid distractions while operating the drills.
- **Tool Inspection:** Before use, inspect the drills for any damage or wear. Do not use damaged tools.
- **Proper Handling:** Always handle the drills with care. Use both hands when operating to maintain control.
- **Avoid Overexertion:** Do not apply excessive force when drilling. Let the drill do the work to avoid breakage and injury.
- **Storage:** Store drills in a dry, secure location away from children and unauthorized users.

Instructions for Installation and Usage

• Installation:

- Ensure that the drill is compatible with your drill press or hand drill.
- Secure the drill bit in the chuck according to the manufacturer's instructions for your specific drill model.
- Tighten the chuck securely to prevent the drill bit from loosening during operation.

• Usage:

- **Setup:** Position your workpiece securely on a stable surface. Use clamps if necessary to hold the material in place.
- **Drilling Technique:**
 - Start with a pilot hole if necessary to guide the drill bit.
 - Align the drill bit with the intended drilling point.
 - Apply steady pressure and maintain a perpendicular angle to the workpiece.

- Withdraw the drill periodically to clear debris and prevent overheating.
- **Finishing Up:** Once drilling is complete, turn off the drill and carefully remove the workpiece from the drill.

Disposal Instructions

- Dispose of any damaged or wornout drills in accordance with local regulations for hazardous waste.
- Do not throw drills in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and effective drilling experience with your new tools. Thank you for prioritizing safety!
