JOBBER LENGTH WIRE GAUGE DRILLS The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are precision-engineered tools designed for gunsmiths, machinists, and professionals seeking reliable performance in detailed drilling tasks. With exceptional craftsmanship and durability, these drills ensure consistent and accurate results for a variety of applications. Key Features: High-Speed Steel (HSS) Construction: Crafted from premium-grade high-speed steel, these drills offer excellent durability and heat resistance, standing up to rigorous use over time. Jobber-Length Design: The jobber-length configuration provides the optimal combination of reach and rigidity, ensuring precise, straight drilling with minimal flex. Wire Gauge Sizing: Offered in a comprehensive range of wire gauge sizes, these drills are perfect for intricate and precise work, particularly in gunsmithing and fine machining applications. Precision-Cut Edges: Engineered with sharp, precision-ground cutting edges, these drills minimize wandering and chipping, resulting in clean and consistent holes. Applications: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are particularly suited for gunsmithing applications such as drilling precise pinholes, sight mount installations, and other firearm modifications. They are equally effective for fine detail work in metals, plastics, and other materials. Specs: Made of High Speed Steel 135° Self-Centering Point Coating/Finish: Black Oxide Customer Feedback: Users consistently commend the durability and precision of these wire gauge drills. The wide range of available sizes is appreciated for its versatility, and the jobber-length design is praised for its balance and control during intricate tasks. Summary: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are an excellent choice for professionals and enthusiasts requiring high-quality, reliable tools for detailed drilling. With their durable high-speed steel construction, precision-engineered cutting edges, and extensive size range, these drills deliver exceptional performance for gunsmithing and beyond. Trusted by professionals, Triumph Twist Drill Co. provides the quality and dependability needed for even the most demanding projects.

Attributes

- Name: [TRIUMPH TWIST DRILL CO. JOBBER LENGTH WIRE GAUGE DRILL 29J \(.1360"\) DIAMETER](#)
- Manufacturer: [TRIUMPH TWIST DRILL CO.](#)
- Product no.: 891129136
- Mfr. No.: 012429
- Bit Size: 0.1360
- Colour: Black Oxide
- Material: High Speed Steel
- Style: Wire Gauges Drill Bits- Drill Bit Style
- Delivery weight: 0.009kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 086839124292

Safety Instruction Guide for JOBBER LENGTH WIRE GAUGE DRILLS

Introduction

Thank you for choosing the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. This guide provides essential safety instructions to ensure safe and effective use of these precisionengineered tools. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the drills by following all instructions and safety precautions outlined in this guide.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when using these drills around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please reach out to the appropriate EUbased contact point.
- **Rapid Alerts:** Keep updated on product safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the drills.
- Ensure the work area is clean and free from clutter to prevent accidents.
- Keep the drills away from children and unauthorized users.
- Inspect the drills for any damage before each use. Do not use damaged drills.
- Ensure that the drill is securely mounted or held in place before starting to drill.
- Avoid wearing loose clothing or jewelry that may get caught in the drill.
- Do not apply excessive force while drilling; let the drill do the work.
- Be aware of the material being drilled to avoid unexpected reactions or hazards.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the drill bit size is appropriate for the task at hand.

2. Installation:

- Insert the drill bit into the chuck of the drill.
- Tighten the chuck securely to ensure the drill bit is held firmly in place.

3. Usage:

- Position the drill at the desired angle over the material to be drilled.
- Start the drill at a low speed to establish the hole.
- Gradually increase the speed as needed, maintaining a steady pressure.
- If the drill binds or stalls, stop immediately and assess the situation.
- Once the drilling is complete, remove the drill bit from the material carefully.

Disposal Instructions

- Dispose of any damaged or wornout drills in accordance with local regulations.
- Do not dispose of the drills in regular household waste. Instead, take them to a designated recycling facility if available.
- Ensure that all waste materials are handled safely and responsibly.

Contact Information for Further Support

For any questions or concerns regarding the use of the Jobber Length Wire Gauge Drills, please refer to the manufacturer's contact information provided with the product packaging or visit their website for additional resources.

By following these safety instructions, you can ensure a safe and effective drilling experience with the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. Thank you for your attention to safety.
