JOBBER LENGTH WIRE GAUGE DRILLS The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are precision-engineered tools designed for gunsmiths, machinists, and professionals seeking reliable performance in detailed drilling tasks. With exceptional craftsmanship and durability, these drills ensure consistent and accurate results for a variety of applications. Key Features: High-Speed Steel (HSS) Construction: Crafted from premium-grade high-speed steel, these drills offer excellent durability and heat resistance, standing up to rigorous use over time. Jobber-Length Design: The jobber-length configuration provides the optimal combination of reach and rigidity, ensuring precise, straight drilling with minimal flex. Wire Gauge Sizing: Offered in a comprehensive range of wire gauge sizes, these drills are perfect for intricate and precise work, particularly in gunsmithing and fine machining applications. Precision-Cut Edges: Engineered with sharp, precision-ground cutting edges, these drills minimize wandering and chipping, resulting in clean and consistent holes. Applications: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are particularly suited for gunsmithing applications such as drilling precise pinholes, sight mount installations, and other firearm modifications. They are equally effective for fine detail work in metals, plastics, and other materials. Specs: Made of High Speed Steel 135° Self-Centering Point Coating/Finish: Black Oxide Customer Feedback: Users consistently commend the durability and precision of these wire gauge drills. The wide range of available sizes is appreciated for its versatility, and the jobber-length design is praised for its balance and control during intricate tasks. Summary: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are an excellent choice for professionals and enthusiasts requiring high-quality, reliable tools for detailed drilling. With their durable high-speed steel construction, precision-engineered cutting edges, and extensive size range, these drills deliver exceptional performance for gunsmithing and beyond. Trusted by professionals, Triumph Twist Drill Co. provides the quality and dependability needed for even the most demanding projects.

Attributes

- Name: [TRIUMPH TWIST DRILL CO. JOBBER LENGTH WIRE GAUGE DRILL 30J \(.1285"\) DIAMETER](#)
- Manufacturer: [TRIUMPH TWIST DRILL CO.](#)
- Product no.: 891130128
- Mfr. No.: 012430
- Bit Size: 0.1285
- Colour: Black Oxide
- Material: High Speed Steel
- Style: Wire Gauges Drill Bits- Drill Bit Style
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 086839124308

Safety Instruction Guide for Triumph Twist Drill Co. Jobber Length Wire Gauge Drills

Introduction

Thank you for choosing the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. This guide provides essential safety instructions to ensure the safe and effective use of these precisionengineered tools. Please read this guide carefully before using the drills to minimize risks and enhance your experience.

General Safety Guidelines

- Always use personal protective equipment (PPE) such as safety glasses, gloves, and ear protection when using drills.
- Ensure a clean and organized workspace to prevent accidents.
- Inspect the drill for any damage or defects before use. Do not use a damaged drill.
- Keep hands and other body parts away from the drill bit while in operation.
- Use the drill only for its intended purpose as specified in this guide.
- Store the drills in a safe place, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that bystanders are at a safe distance while drilling.

Specific Safety Precautions for Use

- Always secure the workpiece to prevent movement during drilling.
- Use the appropriate drill speed for the material being drilled to avoid overheating or damaging the drill bit.
- Do not force the drill; let the tool do the work to avoid breakage or injury.
- If the drill bit becomes stuck, turn off the drill and carefully remove the workpiece from the drill bit.
- Avoid wearing loose clothing or jewelry that could get caught in the drill.
- If you feel unwell or are under the influence of substances, do not use the drill.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the drill is compatible with your power source.

2. Installation:

- Insert the drill bit into the chuck of the drill.
- Tighten the chuck securely to hold the drill bit in place.
- Check that the drill bit is properly aligned and securely fastened.

3. Usage:

- Position the drill perpendicular to the workpiece for straight drilling.
- Start the drill at a low speed to create a pilot hole if necessary.
- Gradually increase the speed as needed based on the material.
- Maintain a firm grip on the drill and apply consistent pressure.
- After completing the drilling, turn off the drill and remove the workpiece carefully.

Disposal Instructions

- Dispose of any damaged or wornout drills in accordance with local regulations.
- Do not throw drills in regular household waste. Check for local recycling programs that accept metal tools.
- Ensure that all parts are disposed of responsibly to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills, please refer to the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and productive experience with your Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. Thank you for your attention to safety.
