JOBBER LENGTH WIRE GAUGE DRILLS The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are precision-engineered tools designed for gunsmiths, machinists, and professionals seeking reliable performance in detailed drilling tasks. With exceptional craftsmanship and durability, these drills ensure consistent and accurate results for a variety of applications. Key Features: High-Speed Steel (HSS) Construction: Crafted from premium-grade high-speed steel, these drills offer excellent durability and heat resistance, standing up to rigorous use over time. Jobber-Length Design: The jobber-length configuration provides the optimal combination of reach and rigidity, ensuring precise, straight drilling with minimal flex. Wire Gauge Sizing: Offered in a comprehensive range of wire gauge sizes, these drills are perfect for intricate and precise work, particularly in gunsmithing and fine machining applications. Precision-Cut Edges: Engineered with sharp, precision-ground cutting edges, these drills minimize wandering and chipping, resulting in clean and consistent holes. Applications: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are particularly suited for gunsmithing applications such as drilling precise pinholes, sight mount installations, and other firearm modifications. They are equally effective for fine detail work in metals, plastics, and other materials. Specs: Made of High Speed Steel 135° Self-Centering Point Coating/Finish: Black Oxide Customer Feedback: Users consistently commend the durability and precision of these wire gauge drills. The wide range of available sizes is appreciated for its versatility, and the jobber-length design is praised for its balance and control during intricate tasks. Summary: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are an excellent choice for professionals and enthusiasts requiring high-quality, reliable tools for detailed drilling. With their durable high-speed steel construction, precision-engineered cutting edges, and extensive size range, these drills deliver exceptional performance for gunsmithing and beyond. Trusted by professionals, Triumph Twist Drill Co. provides the quality and dependability needed for even the most demanding projects.

Attributes

- Name: [TRIUMPH TWIST DRILL CO. JOBBER LENGTH WIRE GAUGE DRILL 33J \(.1130"\) DIAMETER](#)
- Manufacturer: [TRIUMPH TWIST DRILL CO.](#)
- Product no.: 891133138
- Mfr. No.: 012433
- Bit Size: 0.1130
- Colour: Black Oxide
- Material: High Speed Steel
- Style: Wire Gauges Drill Bits- Drill Bit Style
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 086839124339

Safety Instruction Guide for JOBBER LENGTH WIRE GAUGE DRILLS

Introduction

Thank you for choosing the JOBBER LENGTH WIRE GAUGE DRILLS from Triumph Twist Drill Co. This guide is designed to provide you with essential safety information and usage instructions to ensure safe and effective use of the product. Please read this guide carefully before using the drills.

General Safety Guidelines

- Ensure safe use of the drills by following these general safety guidelines:
 - Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect against flying debris and sharp edges.
 - Keep the work area clean and welllit to prevent accidents and ensure visibility.
 - Ensure that the drill is used only for its intended purposes as specified in this guide.
 - Store the drills in a safe place, out of reach of children and vulnerable individuals.
 - Regularly inspect the drills for any signs of damage or wear before use. Do not use damaged tools.

Specific Safety Precautions for Use

- Before using the JOBBER LENGTH WIRE GAUGE DRILLS, please observe the following precautions:
 - Always secure the workpiece properly to prevent movement during drilling.
 - Use the correct drill size for your application to avoid excessive force that may lead to breakage.
 - Do not exceed the recommended speed settings for the drill to ensure safe operation.
 - Avoid using the drills in wet or damp conditions to reduce the risk of electric shock or injury.
 - Do not force the drill; let the tool do the work to avoid overheating and damaging the drill bit.

Instructions for Installation and Usage

- Follow these steps for the safe installation and usage of the drills:

1. Installation:

- Ensure the drill is unplugged or powered off before installation.
- Insert the drill bit into the chuck of the drill, ensuring it is securely tightened.
- Adjust the drill to the desired speed setting based on the material being drilled.

2. Usage:

- Position the drill perpendicular to the workpiece for accurate drilling.
- Begin drilling at a low speed to create a pilot hole, then increase speed as needed.
- Maintain a firm grip on the drill and keep hands away from the drill bit while in operation.
- After completing the drilling, turn off the drill and allow it to come to a complete stop before removing the bit.

Disposal Instructions

- Proper disposal of the JOBBER LENGTH WIRE GAUGE DRILLS is important for environmental safety:
 - Do not dispose of the drills in regular household waste.
 - Check local regulations for the disposal of metal and hazardous materials.
 - Consider recycling the drills if possible, or return them to the manufacturer for proper disposal.

Contact Information for Further Support

- For any safety inquiries or support related to the JOBBER LENGTH WIRE GAUGE DRILLS, please refer to the manufacturer's website or customer service resources.

By following these safety guidelines and instructions, you can ensure a safer and more effective experience with your JOBBER LENGTH WIRE GAUGE DRILLS. Thank you for prioritizing safety!
