Safety Instruction Guide for JOBBER LENGTH WIRE GAUGE DRILLS

Introduction

Thank you for choosing the JOBBER LENGTH WIRE GAUGE DRILLS from Triumph Twist Drill Co. This guide provides essential safety instructions and guidelines to ensure safe and effective use of these precisionengineered tools. Please read this document carefully before using the product.

General Safety Guidelines

- Always use the drills in accordance with the manufacturer's instructions.
- Ensure that your work area is clean, welllit, and free from hazards.
- Wear appropriate personal protective equipment (PPE) such as safety goggles, gloves, and hearing protection.
- Keep the drills out of reach of children and unauthorized users.
- Regularly inspect the drills for any signs of wear or damage before use.
- Do not use the drills for any purpose other than intended applications.

Specific Safety Precautions for Use

- **Handling:**
 - Handle the drills with care to avoid injury.
 - Do not touch the cutting edges directly to prevent cuts.
- **Drilling:**
 - Ensure that the workpiece is securely clamped or held in place.
 - Use the correct drill size for your application to avoid excessive force.
 - Do not force the drill; let it do the work to prevent overheating.
- **Storage:**
 - Store the drills in a dry place, away from moisture and extreme temperatures.
 - Use a protective case or holder to prevent damage to the cutting edges.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the drill bit is compatible with your drilling machine.
- Check that the drill machine is in good working order.

2. Installation:

- Insert the drill bit into the chuck of your drill machine.
- Secure the drill bit tightly to prevent it from loosening during use.
- Adjust the drill settings (speed, torque, etc.) according to the material being drilled.

3. Usage:

- Position the drill bit at the desired drilling location.
- Start the drill at a low speed to create a pilot hole if necessary.
- Gradually increase the speed as you drill deeper into the material.
- Apply steady pressure without forcing the drill.
- Periodically withdraw the drill to remove debris and cool the bit.

4. PostUse:

- Turn off the drill and unplug it from the power source.
- Clean the drill bit and surrounding area to remove any debris.
- Inspect the drill for any damage or wear after use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the drills in regular household waste.
- Consider recycling options for metal components where applicable.

Conclusion

By following these safety guidelines, you can ensure a safe and effective drilling experience with the JOBBER LENGTH WIRE GAUGE DRILLS. Always prioritize safety and proper handling to maintain the quality and longevity of your tools. Thank you for your attention to these important instructions.
