JOBBER LENGTH WIRE GAUGE DRILLS The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are precision-engineered tools designed for gunsmiths, machinists, and professionals seeking reliable performance in detailed drilling tasks. With exceptional craftsmanship and durability, these drills ensure consistent and accurate results for a variety of applications. Key Features: High-Speed Steel (HSS) Construction: Crafted from premium-grade high-speed steel, these drills offer excellent durability and heat resistance, standing up to rigorous use over time. Jobber-Length Design: The jobber-length configuration provides the optimal combination of reach and rigidity, ensuring precise, straight drilling with minimal flex. Wire Gauge Sizing: Offered in a comprehensive range of wire gauge sizes, these drills are perfect for intricate and precise work, particularly in gunsmithing and fine machining applications. Precision-Cut Edges: Engineered with sharp, precision-ground cutting edges, these drills minimize wandering and chipping, resulting in clean and consistent holes. Applications: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are particularly suited for gunsmithing applications such as drilling precise pinholes, sight mount installations, and other firearm modifications. They are equally effective for fine detail work in metals, plastics, and other materials. Specs: Made of High Speed Steel 135° Self-Centering Point Coating/Finish: Black Oxide Customer Feedback: Users consistently commend the durability and precision of these wire gauge drills. The wide range of available sizes is appreciated for its versatility, and the jobber-length design is praised for its balance and control during intricate tasks. Summary: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are an excellent choice for professionals and enthusiasts requiring high-quality, reliable tools for detailed drilling. With their durable high-speed steel construction, precision-engineered cutting edges, and extensive size range, these drills deliver exceptional performance for gunsmithing and beyond. Trusted by professionals, Triumph Twist Drill Co. provides the quality and dependability needed for even the most demanding projects.

Attributes

- Name: [TRIUMPH TWIST DRILL CO. JOBBER LENGTH WIRE GAUGE DRILL 43J \(.0890"\) DIAMETER](#)
- Manufacturer: [TRIUMPH TWIST DRILL CO.](#)
- Product no.: 891143089
- Mfr. No.: 012443
- Bit Size: 0.0890
- Colour: Black Oxide
- Material: High Speed Steel
- Style: Wire Gauges Drill Bits- Drill Bit Style
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 086839124438

Safety Instruction Guide for JOBBER LENGTH WIRE GAUGE DRILLS

Introduction

Thank you for choosing the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. These precisionengineered tools are designed for reliable performance in detailed drilling tasks. This safety instruction guide provides essential information to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of all products by following the instructions provided in this guide.
- Be aware of potential hazards associated with drilling tools, such as cuts, punctures, and eye injuries.
- Always use personal protective equipment (PPE) such as safety goggles and gloves when operating the drills.
- Keep the work area clean and welllit to prevent accidents.
- Do not use the drills for purposes other than their intended use.
- Regularly check for wear and tear on the tools and replace them if damaged.

Specific Safety Precautions for Use

- **Read all safety instructions before using the drills.**
- **Ensure that the drill bit is securely attached to the drill before use.**
- **Do not apply excessive force when drilling; let the drill do the work.**
- **Avoid wearing loose clothing or jewelry that may get caught in the drill.**
- **Keep hands and other body parts away from the drilling area.**
- **Do not operate the drill near flammable materials or in explosive atmospheres.**
- **Ensure that the drill is switched off and unplugged when changing bits or making adjustments.**
- **Store the drills in a safe, dry place out of reach of children.**

Instructions for Installation and Usage

1. Preparation:

- Inspect the drill and bit for any signs of damage.
- Ensure that the workpiece is securely clamped or held in place.

2. Installation of the Drill Bit:

- Select the appropriate wire gauge drill bit for your application.
- Insert the drill bit into the chuck of the drill.
- Tighten the chuck securely to hold the drill bit in place.

3. Using the Drill:

- Position the drill at a 90degree angle to the workpiece.
- Start the drill at a low speed to create a pilot hole.
- Gradually increase the speed as needed for the material being drilled.
- Apply steady, even pressure while drilling.
- If the drill binds, stop immediately and assess the situation before proceeding.

4. PostUse:

- Turn off and unplug the drill after use.
- Clean the drill and drill bits to remove any debris.
- Store the tools in a safe location.

Disposal Instructions

- Dispose of the drill and drill bits in accordance with local regulations.
- Do not dispose of tools in regular household waste.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills, please refer to the contact information provided with your product packaging or on the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and effective drilling experience. Thank you for choosing Triumph Twist Drill Co. for your drilling needs.
