JOBBER LENGTH WIRE GAUGE DRILLS The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are precision-engineered tools designed for gunsmiths, machinists, and professionals seeking reliable performance in detailed drilling tasks. With exceptional craftsmanship and durability, these drills ensure consistent and accurate results for a variety of applications. Key Features: High-Speed Steel (HSS) Construction: Crafted from premium-grade high-speed steel, these drills offer excellent durability and heat resistance, standing up to rigorous use over time. Jobber-Length Design: The jobber-length configuration provides the optimal combination of reach and rigidity, ensuring precise, straight drilling with minimal flex. Wire Gauge Sizing: Offered in a comprehensive range of wire gauge sizes, these drills are perfect for intricate and precise work, particularly in gunsmithing and fine machining applications. Precision-Cut Edges: Engineered with sharp, precision-ground cutting edges, these drills minimize wandering and chipping, resulting in clean and consistent holes. Applications: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are particularly suited for gunsmithing applications such as drilling precise pinholes, sight mount installations, and other firearm modifications. They are equally effective for fine detail work in metals, plastics, and other materials. Specs: Made of High Speed Steel 135° Self-Centering Point Coating/Finish: Black Oxide Customer Feedback: Users consistently commend the durability and precision of these wire gauge drills. The wide range of available sizes is appreciated for its versatility, and the jobber-length design is praised for its balance and control during intricate tasks. Summary: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are an excellent choice for professionals and enthusiasts requiring high-quality, reliable tools for detailed drilling. With their durable high-speed steel construction, precision-engineered cutting edges, and extensive size range, these drills deliver exceptional performance for gunsmithing and beyond. Trusted by professionals, Triumph Twist Drill Co. provides the quality and dependability needed for even the most demanding projects.

Attributes

- Name: [TRIUMPH TWIST DRILL CO. JOBBER LENGTH WIRE GAUGE DRILL 48J \(.0760"\) DIAMETER](#)
- Manufacturer: [TRIUMPH TWIST DRILL CO.](#)
- Product no.: 891148076
- Mfr. No.:
- Bit Size: 0.0760
- Colour: Black Oxide
- Material: High Speed Steel
- Style: Wire Gauges Drill Bits- Drill Bit Style
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 086839124483

Safety Instruction Guide for JOBBER LENGTH WIRE GAUGE DRILLS

Introduction

Thank you for choosing the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. These precisionengineered tools are designed for professionals seeking reliable performance in detailed drilling tasks. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the drill by following all instructions and guidelines provided.
- **Enhanced Recalls:** Be aware of standardized recall notices. If a recall occurs, follow the instructions provided for safe return or disposal.
- **Online Shopping:** If purchased online, ensure the platform complies with EU safety requirements.
- **Special Consumer Focus:** Extra care should be taken when used by children or individuals who may not have experience with power tools.
- **EU Contact Point:** For safety inquiries, consult the appropriate EUbased contact point.
- **Rapid Alerts:** Stay informed about any safety alerts or product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the drill.
- Ensure that the drill bit is securely tightened in the chuck before use to prevent accidents.
- Do not exceed the recommended speed settings for the drill to avoid overheating and potential injury.
- Keep hands and other body parts away from the drilling area to prevent injury.
- Use the drill in a wellventilated area to avoid inhalation of dust or debris.
- Do not use the drill for purposes other than those specified by the manufacturer.
- Avoid using the drill on materials that are too hard or tough for the bit type to prevent breakage and accidents.
- Always inspect the drill and drill bits for damage before use. Do not use damaged tools.

Instructions for Installation and Usage

- **Installation:**
 - Ensure the drill is unplugged or the power source is disconnected before installation.
 - Select the appropriate drill bit size for your task.
 - Insert the drill bit into the chuck and tighten securely using the chuck key if applicable.
 - Ensure the drill is set to the correct speed and torque settings for the material being drilled.
- **Usage:**
 - Hold the drill firmly with both hands for better control.
 - Align the drill bit with the intended drilling spot before starting.
 - Apply steady pressure while drilling; do not force the drill.
 - If the drill bit becomes stuck, stop the drill immediately and assess the situation.
 - After completing the drilling task, turn off the drill and unplug it before changing bits or making adjustments.

Disposal Instructions

- Dispose of the drill and any worn or broken drill bits in accordance with local regulations.
- Do not dispose of electrical components in regular household waste; follow proper ewaste disposal guidelines.
- If the drill is no longer usable, consider recycling the materials where possible.

Contact Information for Further Support

For questions or concerns regarding the safety and use of the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills, please consult your retailer or the manufacturer's official website for support resources.

Thank you for your attention to safety. Enjoy your drilling experience with confidence!
