JOBBER LENGTH WIRE GAUGE DRILLS The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are precision-engineered tools designed for gunsmiths, machinists, and professionals seeking reliable performance in detailed drilling tasks. With exceptional craftsmanship and durability, these drills ensure consistent and accurate results for a variety of applications. Key Features: High-Speed Steel (HSS) Construction: Crafted from premium-grade high-speed steel, these drills offer excellent durability and heat resistance, standing up to rigorous use over time. Jobber-Length Design: The jobber-length configuration provides the optimal combination of reach and rigidity, ensuring precise, straight drilling with minimal flex. Wire Gauge Sizing: Offered in a comprehensive range of wire gauge sizes, these drills are perfect for intricate and precise work, particularly in gunsmithing and fine machining applications. Precision-Cut Edges: Engineered with sharp, precision-ground cutting edges, these drills minimize wandering and chipping, resulting in clean and consistent holes. Applications: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are particularly suited for gunsmithing applications such as drilling precise pinholes, sight mount installations, and other firearm modifications. They are equally effective for fine detail work in metals, plastics, and other materials. Specs: Made of High Speed Steel 135° Self-Centering Point Coating/Finish: Black Oxide Customer Feedback: Users consistently commend the durability and precision of these wire gauge drills. The wide range of available sizes is appreciated for its versatility, and the jobber-length design is praised for its balance and control during intricate tasks. Summary: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are an excellent choice for professionals and enthusiasts requiring high-quality, reliable tools for detailed drilling. With their durable high-speed steel construction, precision-engineered cutting edges, and extensive size range, these drills deliver exceptional performance for gunsmithing and beyond. Trusted by professionals, Triumph Twist Drill Co. provides the quality and dependability needed for even the most demanding projects.

Attributes

- Name: [TRIUMPH TWIST DRILL CO. JOBBER LENGTH WIRE GAUGE DRILL 50J \(.0700"\) DIAMETER](#)
- Manufacturer: [TRIUMPH TWIST DRILL CO.](#)
- Product no.: 891150070
- Mfr. No.:
- Bit Size: 0.700
- Colour: Black Oxide
- Material: High Speed Steel
- Style: Wire Gauges Drill Bits- Drill Bit Style
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 086839124506

Safety Instruction Guide for JOBBER LENGTH WIRE GAUGE DRILLS

Introduction

Thank you for choosing the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. These precision engineered tools are designed for professionals and enthusiasts who require high quality drilling performance. This guide provides essential safety instructions to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Always use the drills in accordance with the instructions to minimize risks associated with their use.
- **Enhanced Recalls:** Stay informed about potential product recalls. Check the EU's Safety Gate platform for updates.
- **Online Shopping:** Ensure you purchase from reputable online platforms that comply with safety regulations.
- **Special Consumer Focus:** Keep these drills out of reach of children and ensure they are used only by individuals who understand their operation.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Familiarize yourself with the Safety Gate system for updates on unsafe products.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE including safety goggles, gloves, and hearing protection while using the drills.
- **Work Area:** Ensure your work area is clean, well lit, and free of distractions to prevent accidents.
- **Tool Inspection:** Before use, inspect the drills for any damage. Do not use damaged drills.
- **Proper Handling:** Handle the drills with care. Avoid dropping or mishandling them to maintain their precision and integrity.
- **Correct Usage:** Use the drills only for their intended purpose. Do not use them for tasks they were not designed for.
- **Avoid Overexertion:** Do not apply excessive force while drilling. Allow the drill to do the work to prevent breakage and injury.
- **Secure Workpieces:** Ensure that materials being drilled are securely clamped or held in place to avoid movement during drilling.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials.
- Ensure you have a suitable drill press or hand drill for use with wire gauge drills.

2. Setting Up:

- Select the appropriate wire gauge drill size for your task.
- Insert the drill bit into the chuck of your drill or drill press and tighten securely.

3. Drilling Process:

- Mark the drilling location on the workpiece.
- Align the drill bit with the marked spot.
- Start the drill at a low speed to ensure accuracy.
- Gradually increase speed as necessary while applying light pressure.
- Maintain a steady hand and keep the drill perpendicular to the workpiece.

4. PostUse:

- Turn off the drill and remove the drill bit carefully.
- Clean the work area and store the drills in a safe place.

Disposal Instructions

- Dispose of worn or damaged drills in accordance with local regulations for metal waste.
- Do not throw drills in regular household waste. Check for recycling programs in your area.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills, please refer to the contact information provided by the retailer or manufacturer.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and successful drilling experience.
