JOBBER LENGTH WIRE GAUGE DRILLS The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are precision-engineered tools designed for gunsmiths, machinists, and professionals seeking reliable performance in detailed drilling tasks. With exceptional craftsmanship and durability, these drills ensure consistent and accurate results for a variety of applications. Key Features: High-Speed Steel (HSS) Construction: Crafted from premium-grade high-speed steel, these drills offer excellent durability and heat resistance, standing up to rigorous use over time. Jobber-Length Design: The jobber-length configuration provides the optimal combination of reach and rigidity, ensuring precise, straight drilling with minimal flex. Wire Gauge Sizing: Offered in a comprehensive range of wire gauge sizes, these drills are perfect for intricate and precise work, particularly in gunsmithing and fine machining applications. Precision-Cut Edges: Engineered with sharp, precision-ground cutting edges, these drills minimize wandering and chipping, resulting in clean and consistent holes. Applications: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are particularly suited for gunsmithing applications such as drilling precise pinholes, sight mount installations, and other firearm modifications. They are equally effective for fine detail work in metals, plastics, and other materials. Specs: Made of High Speed Steel 135° Self-Centering Point Coating/Finish: Black Oxide Customer Feedback: Users consistently commend the durability and precision of these wire gauge drills. The wide range of available sizes is appreciated for its versatility, and the jobber-length design is praised for its balance and control during intricate tasks. Summary: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are an excellent choice for professionals and enthusiasts requiring high-quality, reliable tools for detailed drilling. With their durable high-speed steel construction, precision-engineered cutting edges, and extensive size range, these drills deliver exceptional performance for gunsmithing and beyond. Trusted by professionals, Triumph Twist Drill Co. provides the quality and dependability needed for even the most demanding projects.

Attributes

- Name: [TRIUMPH TWIST DRILL CO. JOBBER LENGTH WIRE GAUGE DRILL 51J \(.0670"\) DIAMETER](#)
- Manufacturer: [TRIUMPH TWIST DRILL CO.](#)
- Product no.: 891151067
- Mfr. No.: 012451
- Bit Size: 0.0670
- Colour: Black Oxide
- Material: High Speed Steel
- Style: Wire Gauges Drill Bits- Drill Bit Style
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 086839124511

Safety Instruction Guide for JOBBER LENGTH WIRE GAUGE DRILLS

Introduction

Thank you for choosing the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. This guide provides essential safety instructions to ensure safe use and optimal performance of your drill. Please read and understand these guidelines before using the product.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the drill.
- Ensure that the work area is clean, welllit, and free from clutter to prevent accidents.
- Keep the drill out of reach of children and unauthorized users.
- Inspect the drill for any damage before each use. Do not use if damaged.
- Store the drill in a safe place when not in use to prevent accidents and injuries.
- Be aware of your surroundings and ensure no one is in the vicinity of the drill while in operation.

Specific Safety Precautions for Use

- Use the drill only for its intended purpose as specified in the product description.
- Do not exceed the recommended speed and pressure settings for the drill.
- Always secure your workpiece before drilling to prevent movement.
- Avoid wearing loose clothing or jewelry that could become entangled in the drill.
- Do not attempt to modify or alter the drill in any way.
- If the drill becomes stuck, turn off the power and disconnect it before attempting to free it.
- Always keep hands and other body parts away from the drill bit during operation.

Instructions for Installation and Usage

1. Preparation for Use:

- Ensure that you have the correct size drill bit for your application.
- Insert the drill bit securely into the chuck of the drill, ensuring it is tightened properly.

2. Using the Drill:

- Position the drill perpendicular to the workpiece for straight drilling.
- Start the drill at a low speed to ensure control, gradually increasing speed as needed.
- Apply consistent pressure while drilling, but do not force the drill.
- After completing the drilling task, turn off the drill and allow the bit to come to a complete stop before removing it from the workpiece.

3. PostUse Care:

- Clean the drill bit and the surrounding area after use.
- Store the drill in its designated place, ensuring it is protected from damage.

Disposal Instructions

- Dispose of the drill and any associated materials in accordance with local regulations.
- Do not dispose of the drill in general household waste.

- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any inquiries regarding safety or performance of the drill, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these safety guidelines, you can ensure a safe and effective drilling experience with the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. Always prioritize safety and quality in your work.
