JOBBER LENGTH WIRE GAUGE DRILLS The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are precision-engineered tools designed for gunsmiths, machinists, and professionals seeking reliable performance in detailed drilling tasks. With exceptional craftsmanship and durability, these drills ensure consistent and accurate results for a variety of applications. Key Features: High-Speed Steel (HSS) Construction: Crafted from premium-grade high-speed steel, these drills offer excellent durability and heat resistance, standing up to rigorous use over time. Jobber-Length Design: The jobber-length configuration provides the optimal combination of reach and rigidity, ensuring precise, straight drilling with minimal flex. Wire Gauge Sizing: Offered in a comprehensive range of wire gauge sizes, these drills are perfect for intricate and precise work, particularly in gunsmithing and fine machining applications. Precision-Cut Edges: Engineered with sharp, precision-ground cutting edges, these drills minimize wandering and chipping, resulting in clean and consistent holes. Applications: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are particularly suited for gunsmithing applications such as drilling precise pinholes, sight mount installations, and other firearm modifications. They are equally effective for fine detail work in metals, plastics, and other materials. Specs: Made of High Speed Steel 135° Self-Centering Point Coating/Finish: Black Oxide Customer Feedback: Users consistently commend the durability and precision of these wire gauge drills. The wide range of available sizes is appreciated for its versatility, and the jobber-length design is praised for its balance and control during intricate tasks. Summary: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are an excellent choice for professionals and enthusiasts requiring high-quality, reliable tools for detailed drilling. With their durable high-speed steel construction, precision-engineered cutting edges, and extensive size range, these drills deliver exceptional performance for gunsmithing and beyond. Trusted by professionals, Triumph Twist Drill Co. provides the quality and dependability needed for even the most demanding projects.

Attributes

- Name: [TRIUMPH TWIST DRILL CO. JOBBER LENGTH WIRE GAUGE DRILL 54J \(.0550"\) DIAMETER](#)
- Manufacturer: [TRIUMPH TWIST DRILL CO.](#)
- Product no.: 891154055
- Mfr. No.: 012454
- Bit Size: 0.0550
- Colour: Black Oxide
- Material: High Speed Steel
- Style: Wire Gauges Drill Bits- Drill Bit Style
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 086839124544

Safety Instruction Guide for Triumph Twist Drill Co. Jobber Length Wire Gauge Drills

Introduction

Thank you for choosing the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. These precisionengineered tools are designed for professionals and enthusiasts alike, ensuring reliable performance in detailed drilling tasks. This guide provides essential safety instructions to help you use these drills safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the drill is in good condition and free from defects before use.
- Keep the workspace clean and welllit to avoid accidents.
- Use appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Store drills in a safe, dry place out of reach of children.
- Regularly check for product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always use the correct drill size for your application to prevent damage and ensure safety.
- Avoid using the drill near flammable materials or liquids.
- Do not apply excessive force when drilling; let the drill do the work to avoid breakage.
- Ensure that the workpiece is securely clamped or held in place to prevent movement during drilling.
- Do not wear loose clothing or jewelry that could get caught in the drill.
- If the drill binds or stalls, stop immediately and assess the situation before proceeding.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials.
- Inspect the drill for any visible damage or defects before use.

2. Setup:

- Secure the workpiece on a stable surface.
- Ensure the drill is properly set up in a compatible drill chuck.

3. Drilling:

- Position the drill bit at the desired drilling location.
- Start the drill at a low speed to create a pilot hole, if necessary.
- Gradually increase the speed while applying consistent pressure.
- Withdraw the drill periodically to clear debris from the hole.

4. PostUse:

- Turn off the drill and unplug it from the power source after use.
- Clean the drill and work area to remove any debris.
- Store the drill in a safe location, away from children and hazardous materials.

Disposal Instructions

- Dispose of any damaged or wornout drills in accordance with local regulations.
- Avoid disposing of drills in regular household waste; check for local recycling programs specific to metal tools.
- Ensure that any hazardous materials (if applicable) are handled according to safety regulations.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the official Triumph Twist Drill Co. website or your point of purchase. Ensure to have your product information available for a prompt response.

By following these safety instructions, you can ensure a safe and effective experience while using the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. Thank you for your attention to safety, and happy drilling!
