JOBBER LENGTH WIRE GAUGE DRILLS The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are precision-engineered tools designed for gunsmiths, machinists, and professionals seeking reliable performance in detailed drilling tasks. With exceptional craftsmanship and durability, these drills ensure consistent and accurate results for a variety of applications. Key Features: High-Speed Steel (HSS) Construction: Crafted from premium-grade high-speed steel, these drills offer excellent durability and heat resistance, standing up to rigorous use over time. Jobber-Length Design: The jobber-length configuration provides the optimal combination of reach and rigidity, ensuring precise, straight drilling with minimal flex. Wire Gauge Sizing: Offered in a comprehensive range of wire gauge sizes, these drills are perfect for intricate and precise work, particularly in gunsmithing and fine machining applications. Precision-Cut Edges: Engineered with sharp, precision-ground cutting edges, these drills minimize wandering and chipping, resulting in clean and consistent holes. Applications: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are particularly suited for gunsmithing applications such as drilling precise pinholes, sight mount installations, and other firearm modifications. They are equally effective for fine detail work in metals, plastics, and other materials. Specs: Made of High Speed Steel 135° Self-Centering Point Coating/Finish: Black Oxide Customer Feedback: Users consistently commend the durability and precision of these wire gauge drills. The wide range of available sizes is appreciated for its versatility, and the jobber-length design is praised for its balance and control during intricate tasks. Summary: The Triumph Twist Drill Co. Jobber Length Wire Gauge Drills are an excellent choice for professionals and enthusiasts requiring high-quality, reliable tools for detailed drilling. With their durable high-speed steel construction, precision-engineered cutting edges, and extensive size range, these drills deliver exceptional performance for gunsmithing and beyond. Trusted by professionals, Triumph Twist Drill Co. provides the quality and dependability needed for even the most demanding projects.

Attributes

- Name: [TRIUMPH TWIST DRILL CO. JOBBER LENGTH WIRE GAUGE DRILL 59J \(.0410"\) DIAMETER](#)
- Manufacturer: [TRIUMPH TWIST DRILL CO.](#)
- Product no.: 891159041
- Mfr. No.: 012459
- Bit Size: 0.0410
- Colour: Black Oxide
- Material: High Speed Steel
- Style: Wire Gauges Drill Bits- Drill Bit Style
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 086839124599

Safety Instruction Guide for JOBBER LENGTH WIRE GAUGE DRILLS

Introduction

Thank you for choosing the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills. These precision engineered tools are designed for gunsmiths, machinists, and professionals who require reliable performance in detailed drilling tasks. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Ensure safe use of all nonfood products, including tools like wire gauge drills.
- **Enhanced Recalls:** Be aware of standardized recall notices and free remedies for any dangerous products.
- **Online Shopping:** If purchased online, know that you have the same protections as when buying in physical stores.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, ensure there is an EU based contact for assistance.
- **Rapid Alerts:** Stay informed about unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using drills.
- Ensure that the work area is clean, well lit, and free of distractions.
- Do not use the drill if it is damaged or if any parts are missing.
- Keep hands and other body parts away from the drill bit during operation.
- Secure the workpiece properly before drilling to prevent movement.
- Use the drill at the recommended speed settings for best results and safety.
- Always disconnect the drill from the power source when changing bits or when not in use.

Instructions for Installation and Usage

1. Installation:

- Select the appropriate wire gauge drill size for your application.
- Insert the drill bit into the chuck of the drill and tighten securely. Ensure it is properly seated.
- Check that the drill is set to the correct speed for the material being drilled.

2. Usage:

- Position the drill bit at the desired drilling location on the workpiece.
- Start the drill at a low speed to ensure accuracy, then gradually increase the speed as needed.
- Apply consistent pressure while drilling, but do not force the drill.
- If the drill bit becomes stuck, stop the drill immediately and carefully remove the bit from the workpiece.
- Once drilling is complete, release the trigger and allow the drill to come to a complete stop before setting it down.

Disposal Instructions

- Dispose of the drill and any associated materials in accordance with local regulations.
- Do not dispose of the drill in regular household waste.

- Consider recycling options for metal and plastic components where possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the usage of the Triumph Twist Drill Co. Jobber Length Wire Gauge Drills, please consult your retailer or manufacturer for support.

By following these safety instructions, you can ensure a safe and effective drilling experience. Thank you for your attention to safety.
