

LETTER DRILLS - JOBBER LENGTH - TRIUMPH TWIST DRILL CO. JOBBER LENGTH LETTER DRILL Q (.332") DIAMETER

[Gunsmith Tools](#) > [Power Tools & Accessories](#) > [Drill Bits](#)

U.S. Made

A heavy-duty drill can make all the difference in the world in your work. The extra engineering and care in manufacture will help you to drill cleaner, more accurate holes, and many more of them at that. All the Drills we carry, Sets, Individuals, Jobber Length and Short Length, are made from High Speed Steel with a 135° self-centering point. Special point and surface treatments (Maxi-Set not treated) give easier, more wear-resistant drilling of the tough steels encountered in the gun shop.

Attributes

- Name: [TRIUMPH TWIST DRILL CO. JOBBER LENGTH LETTER DRILL Q \(.332"\) DIAMETER](#)
- Manufacturer: [TRIUMPH TWIST DRILL CO.](#)
- Product no.: 891317332
- Mfr. No.:
- Bit Size: 0.332
- Colour: Black Oxide
- Material: High Speed Steel
- Style: Jobber Drill Bits- Drill Bit Style
- Delivery weight: 0.036kg
- Shipping height: 1mm
- Shipping width: 57mm
- Shipping length: 146mm
- UPC: 086839134178

Safety Instruction Guide for LETTER DRILLS

JOBBER LENGTH TRIUMPH TWIST DRILL CO.

JOBBER LENGTH LETTER DRILL Q (.332")

DIAMETER

Introduction

Thank you for choosing the LETTER DRILLS JOBBER LENGTH from TRIUMPH TWIST DRILL CO. This guide provides essential safety instructions to ensure safe and effective use of your drill. Please read this document carefully before using the product.

General Safety Guidelines

- Always use the drill in accordance with the manufacturer's instructions.
- Ensure that the drill is in good condition before use. Check for any signs of damage or wear.
- Use appropriate personal protective equipment (PPE), including safety glasses, gloves, and ear protection.
- Keep your work area clean and welllit to avoid accidents.
- Be aware of your surroundings and ensure that no one is in the vicinity of your work area while drilling.
- Store the drill in a safe place when not in use to prevent accidents.

Specific Safety Precautions for Use

- Avoid using the drill on materials that are not suitable for highspeed steel drills.
- Do not exceed the recommended RPM for the drill bit to prevent overheating and damage.
- Ensure that the drill bit is securely fastened in the chuck before use.
- Always drill at a right angle to the work surface to avoid breakage of the drill bit.
- Use cutting fluid or lubricant when drilling tough materials to reduce friction and heat.
- Do not force the drill; let the drill bit do the work to prevent injury and damage to the drill.
- If the drill bit becomes stuck, stop the drill immediately and assess the situation before attempting to remove it.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools and materials.
- Ensure you have a suitable work surface and secure the material you will be drilling.

2. Installing the Drill Bit:

- Select the appropriate LETTER DRILL size (Q, .332" diameter).
- Insert the drill bit into the chuck of the drill.
- Tighten the chuck securely to hold the drill bit in place.

3. Using the Drill:

- Position the drill perpendicular to the work surface.
- Start the drill at a low speed to ensure stability.
- Gradually increase the speed as needed, but do not exceed the recommended RPM.
- Apply consistent pressure while drilling, allowing the drill bit to cut through the material.

4. Finishing:

- Once the hole is drilled, remove the drill from the material.
- Turn off the drill and unplug it if it is corded.
- Clean the work area and store the drill safely.

Disposal Instructions

- Dispose of the drill in accordance with local regulations.
- If the drill is no longer functional, consider recycling the metal components where possible.
- Do not dispose of the drill in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the LETTER DRILLS JOBBER LENGTH, please reach out to the manufacturer or your local distributor. They can provide further assistance and information.

This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR). By following these guidelines, you can ensure safe and effective use of your LETTER DRILLS JOBBER LENGTH. Thank you for your attention to safety.
