

# LETTER DRILLS - JOBBER LENGTH - TRIUMPH TWIST DRILL CO. JOBBER LENGTH LETTER DRILL Z (.413") DIAMETER

[Gunsmith Tools](#) > [Power Tools & Accessories](#) > [Drill Bits](#)

## U.S. Made

A heavy-duty drill can make all the difference in the world in your work. The extra engineering and care in manufacture will help you to drill cleaner, more accurate holes, and many more of them at that. All the Drills we carry, Sets, Individuals, Jobber Length and Short Length, are made from High Speed Steel with a 135° self-centering point. Special point and surface treatments (Maxi-Set not treated) give easier, more wear-resistant drilling of the tough steels encountered in the gun shop.

## Attributes

- Name: [TRIUMPH TWIST DRILL CO. JOBBER LENGTH LETTER DRILL Z \(.413"\) DIAMETER](#)
- Manufacturer: [TRIUMPH TWIST DRILL CO.](#)
- Product no.: 891326413
- Mfr. No.: 013426
- Bit Size: 0.413

# Safety Instruction Guide for LETTER DRILLS JOBBER LENGTH

## Introduction

Thank you for choosing the LETTER DRILLS JOBBER LENGTH from TRIUMPH TWIST DRILL CO. This guide provides essential safety instructions and information to ensure your safe use of this product. Please read this document carefully before using the drill to avoid any potential hazards.

## General Safety Guidelines

- Ensure that you use the drill only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the drill.
- Keep your work area clean and welllit to prevent accidents.
- Do not use the drill in damp or wet conditions.
- Ensure that the drill is securely fastened in place before use.
- Always check the drill for any signs of damage before use.
- Follow all manufacturer instructions and guidelines for safe operation.

## Specific Safety Precautions for Use

- Do not exceed the recommended speed of the drill.
- Avoid wearing loose clothing or jewelry that may get caught in the drill.
- Keep hands and other body parts away from the drill bit while in operation.
- Ensure that the material you are drilling is stable and secure.
- Use a suitable backing material to prevent damage to the work surface.
- If the drill binds or stalls, stop immediately and assess the situation.
- Do not attempt to remove the drill bit while the drill is still running.

## Instructions for Installation and Usage

### 1. Installation:

- Securely mount the drill in a stable position, ensuring it is level and stable.
- Attach the appropriate drill bit to the chuck, making sure it is tightened securely.
- Connect the drill to a suitable power source, ensuring it meets the required voltage and current specifications.

### 2. Usage:

- Before starting the drill, ensure that the workpiece is properly positioned.
- Turn on the drill and allow it to reach the desired speed.
- Gently apply pressure to the drill, allowing it to do the work without forcing it.
- Monitor the drill during use for any unusual sounds or vibrations.
- When finished, turn off the drill and unplug it from the power source.

## Disposal Instructions

- Dispose of the drill and any associated materials in accordance with local regulations.
- Do not dispose of the drill in household waste. Instead, take it to a designated recycling facility or hazardous waste collection point.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please contact the manufacturer or your local regulatory authority. Always refer to the latest updates on the EU's Safety Gate platform regarding recalls and safety alerts.

By adhering to these safety instructions, you can ensure a safe and efficient working environment while using the LETTER DRILLS JOBBER LENGTH. Thank you for your attention to safety.
