

# 1911 REPRODUCTION REAR SIGHTS - DOUG TURNBULL RESTORATIONS 1911 REPRODUCTION REAR SIGHT FLAT TOP BLUED

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

Reproduction 1911 rear sights, that were included on several early variants of the 1911. Bringing their expertise in refinishing original 1911 pistols, Turnbull Manufacturing is now creating replacement parts for these classic firearms. Reproduction rear sights are available as a flat top style. Features a proper round notch for sighting. In 1913, the flat top version was introduced, and was used between serial numbers 62,001 through 958,100. The flat top style was also used on all Remington-UMC & Singer pistols. Steel construction with a blued finish.

# Safety Instruction Guide for 1911 Reproduction Rear Sights

## Introduction

Thank you for choosing the 1911 Reproduction Rear Sights by Doug Turnbull Restorations. This guide provides essential safety information and instructions to ensure the safe use and installation of your rear sights. Please read this guide carefully before use to maximize safety and performance.

## General Safety Guidelines

- Ensure that the firearm is unloaded before installing or adjusting the rear sights.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the rear sights and firearm out of reach of children and unauthorized users.
- Use only compatible models of 1911 pistols for installation.
- Regularly inspect the rear sights for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use of the rear sights may lead to misalignment, resulting in inaccurate shooting.
- **Avoiding Hazards:**
  - Always verify that the rear sight is securely fastened before use.
  - Do not modify the rear sights beyond the manufacturer's specifications.
  - Ensure that the rear sight is compatible with your specific model of 1911 pistol.
- **Age-Specific Warnings:** This product is intended for adult users only. Ensure that minors do not handle or use the firearm equipped with these sights without proper supervision.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing rear sight from the firearm using appropriate tools.
- Align the new rear sight with the rear cut of the Colt 1911.
- Secure the rear sight in place according to the manufacturer's specifications.
- Doublecheck the alignment and tightness of the rear sight before use.

### 2. Usage Instructions:

- After installation, take the firearm to a safe and controlled environment for testing.
- Practice sight alignment and sight picture to ensure accurate shooting.
- Regularly check the rear sight for stability and alignment during use.

## Disposal Instructions

- Dispose of any damaged or worn rear sights in accordance with local regulations.
- Do not dispose of the rear sights in regular household waste; check for proper recycling options available in your area.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety or installation, please reach out to the manufacturer or your local dealer. Ensure you have your product's details handy for efficient support.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your 1911 Reproduction Rear Sights. Thank you for your attention to safety and responsible firearm use.
