

# 1911 REPRODUCTION FRONT SIGHTS - DOUG TURNBULL RESTORATIONS 1911 FRONT SIGHT OLD STYLE ROUND POST BLUED

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Reproduction 1911 front sights, that were included on several early variants of the 1911. Bringing their expertise in refinishing original 1911 pistols, Turnbull Manufacturing is now creating replacement parts for these classic firearms. Reproduction front sights are available as a round, or square style post. The older, round post was used on Colt 1911 pistols from serial numbers 1 to 700,000 (circa 1919). Between serial numbers 701,000 to 893,000, the front sights were modified to the square style, for a more secure fit to the slide. Steel construction, with a blued finish.

## Attributes

# Safety Instruction Guide for 1911 Reproduction Front Sights

## Introduction

Thank you for choosing the 1911 Reproduction Front Sights from Doug Turnbull Restorations. These front sights are designed to enhance the performance of your 1911 pistols, ensuring a reliable and accurate shooting experience. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure you understand the safe use of the front sights. Always follow the manufacturer's instructions and guidelines.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If you purchase this product online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when handling firearms and their components, especially around children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and potential hazards.

## Specific Safety Precautions for Use

- **Use Only with Compatible Models:** Ensure that the front sights are installed on compatible 1911 models: Government, Commander, and Officers.
- **Inspect Before Use:** Always inspect the front sights for any visible damage or defects before installation.
- **Avoid Modifications:** Do not modify the front sights or attempt to alter their design in any way.
- **Proper Handling:** Handle the front sights with care to avoid injury. Use protective gear, such as gloves, when handling sharp or heavy components.
- **Keep Out of Reach of Children:** Store the front sights and all firearm components out of reach of children and unauthorized users.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front sight from the slide of your 1911 pistol.
- Align the new reproduction front sight with the sight cut on the slide.
- Secure the front sight in place using the appropriate tools, following the manufacturer's specifications for torque settings.
- Confirm that the sight is firmly attached and properly aligned before proceeding.

### 2. Usage:

- Always follow standard safety practices when handling firearms.
- Use the front sights in conjunction with proper shooting techniques to ensure accuracy.
- Regularly check the front sights for any signs of wear or loosening during routine maintenance.

## Disposal Instructions

- Dispose of any damaged or broken front sights in accordance with local regulations regarding electronic waste and firearm components.
- Ensure that any disposed parts are rendered unusable to prevent unauthorized access or use.

## Contact Information for Further Support

For any questions or concerns regarding the 1911 Reproduction Front Sights, please refer to the contact information provided by the retailer or manufacturer where the product was purchased. Always ensure that you have access to support for any safetyrelated inquiries.

By adhering to these guidelines and instructions, you can ensure the safe and effective use of your 1911 Reproduction Front Sights. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
