

1911 REPRODUCTION FRONT SIGHTS - DOUG TURNBULL RESTORATIONS 1911 FRONT SIGHT NEW STYLE SQUARE BLUED

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Reproduction 1911 front sights, that were included on several early variants of the 1911. Bringing their expertise in refinishing original 1911 pistols, Turnbull Manufacturing is now creating replacement parts for these classic firearms. Reproduction front sights are available as a round, or square style post. The older, round post was used on Colt 1911 pistols from serial numbers 1 to 700,000 (circa 1919). Between serial numbers 701,000 to 893,000, the front sights were modified to the square style, for a more secure fit to the slide. Steel construction, with a blued finish.

Safety Instruction Guide for 1911 Reproduction Front Sights

Introduction

Thank you for choosing the 1911 Reproduction Front Sights by Doug Turnbull Restorations. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new front sights. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure that all safety measures are followed during the use of this product. This product is designed for nonfood use and must be handled with care.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall occurs, you will be provided with remedies at no cost.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when handling this product around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, ensure you have access to an EU-based contact.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates regarding unsafe products.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that your firearm is unloaded before installation of the front sights.
- **Use Protective Gear:** Wear safety glasses and gloves when handling tools and parts.
- **Avoid Modifications:** Do not attempt to modify the front sights or firearm in any way that could compromise safety.
- **Check Compatibility:** Ensure that the front sights are compatible with your specific model of 1911 pistol.
- **Inspect for Damage:** Before installation, inspect the front sights for any signs of damage or defects. Do not use damaged parts.

Instructions for Installation and Usage

1. **Gather Required Tools:** Before starting, ensure you have the necessary tools, including a screwdriver and any other equipment specified in your firearm's manual.
2. **Unload Your Firearm:** Ensure that your 1911 pistol is completely unloaded. Remove the magazine and check the chamber.
3. **Remove Old Front Sight:**
 - Carefully remove the old front sight using the appropriate tool.
 - Dispose of the old sight properly.
4. **Install New Front Sight:**
 - Align the new front sight with the designated slot on the slide.
 - Secure the sight in place according to the manufacturer's instructions.
5. **Check Alignment:**
 - Verify that the new sight is properly aligned with the rear sight.
 - Make any necessary adjustments to ensure accuracy.
6. **Test Functionality:**
 - Once installed, conduct a function check to ensure that the sight is secure and operational.
 - Do not fire the firearm until you are certain that the installation is correct.
7. **Regular Maintenance:**
 - Periodically check the front sight for any signs of wear or loosening.

- Clean the sight as needed to maintain visibility and accuracy.

Disposal Instructions

- **Proper Disposal:** Dispose of any old or damaged parts in accordance with local regulations. Do not throw them in regular household waste.
- **Recycling:** If possible, recycle metal parts to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the installation or use of the 1911 Reproduction Front Sights, please refer to the contact information provided with your product. Ensure that you have the details of an EU-based contact for safety inquiries.

By following these guidelines, you can ensure a safe and effective experience with your new front sights. Always prioritize safety and remain informed about best practices. Thank you for your attention to these important instructions.
