SLING SWIVEL M14/M1A BIPOD ADAPTER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SLING SWIVEL M14/M1A BIPOD ADAPTER. This adapter is designed to enhance the versatility of your M14 rifle by allowing the attachment of a quickdetach swivel or a Harristype bipod. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to mount a bipod or sling swivel on your M14 rifle.
- Always handle firearms with care and follow all standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the adapter for any signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and contact an authorized dealer.

Specific Safety Precautions for Use

- Use the adapter only with compatible equipment. Ensure that your bipod or sling swivel is designed for M14 rifles.
- Do not exceed the weight limit recommended for the bipod or sling swivel attached to the adapter.
- Avoid using the adapter in extreme weather conditions, such as heavy rain or snow, which might affect its performance.
- Ensure that the adapter is securely attached before using your rifle. A loose adapter may cause accidents or injuries.
- Always follow the manufacturer's instructions for the bipod or sling swivel you are using in conjunction with the adapter.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver and any additional hardware provided.
- Ensure that your rifle is unloaded and pointed in a safe direction.

2. Installation:

- Remove the factory front sling swivel stud from your M14 rifle. This may require unscrewing or detaching it.
- Align the SLING SWIVEL M14/M1A BIPOD ADAPTER with the mounting location on the rifle.
- Securely attach the adapter using the provided screws and tools. Ensure that it is tightened properly to avoid loosening during use.

3. Attaching Bipod or Sling Swivel:

- Once the adapter is installed, attach your quickdetach sling swivel or Harristype bipod as per the manufacturer's instructions.
- Ensure that the attachment is secure and that all locking mechanisms are engaged.

4. Final Check:

- Conduct a final inspection to ensure that all components are securely attached and functioning correctly.
- Test the stability of the adapter and the attached equipment before using the rifle in a shooting environment.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, ensure that it is disposed of in a safe manner to prevent any potential hazards.

Contact Information for Further Support

For any inquiries or concerns regarding the SLING SWIVEL M14/M1A BIPOD ADAPTER, please refer to the product packaging or visit the manufacturer's website for further assistance.

Thank you for your attention to these safety instructions. Enjoy the enhanced versatility that the SLING SWIVEL M14/M1A BIPOD ADAPTER brings to your shooting experience.
