

# TRITIUM FIBER OPTIC (TFO) SIGHT SETS FOR GLOCK® - TRUGLO T.F.O. GRN FRT/REAR GLOCK 17,17L,19,22,23,24,26,27,33

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Tritium/Fiber Optic (TFO) technology combines the self-illuminating properties of Tritium with the light-gathering capabilities of fiber optics to ensure fast sight acquisition in any light conditions from daylight to complete darkness. Precision-machined, steel body provides excellent strength to handle the rigors of combat or competition. Low-profile design prevents holster snagging. Fits factory dovetails; rear sight includes setscrew for extra-secure installation on slide. Sold in front/rear pairs.

# TRITIUM FIBER OPTIC (TFO) SIGHT SETS FOR GLOCK® Safety Instruction Guide

## Introduction

Thank you for choosing the TRITIUM FIBER OPTIC (TFO) SIGHT SETS FOR GLOCK®. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your sight set. Please read this document carefully before use to understand the potential risks and how to mitigate them.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of damage or wear.
- In case of any malfunction, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- **Proper Handling:** Always handle your firearm with care. Ensure it is unloaded before installing or adjusting the sight set.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which may affect performance.
- **Environmental Considerations:** Avoid exposing the sight set to extreme temperatures, moisture, or chemicals that may cause damage.
- **Visibility:** Ensure that the sight set is visible and unobstructed when aiming. This enhances safety and accuracy.
- **Training:** If you are unfamiliar with firearm operation, seek proper training before use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded.
- Gather necessary tools, including a screwdriver for the setscrew.

### 2. Installation:

- Remove the existing sights from your Glock® using the appropriate tools.
- Align the TRITIUM FIBER OPTIC sights with the factory dovetails.
- Secure the rear sight using the included setscrew for added stability.
- Ensure the sights are properly aligned and tightened to prevent movement during use.

### 3. Usage:

- Familiarize yourself with the sight set in a safe environment before using it in the field.
- Practice aiming and shooting with the new sights to ensure comfort and accuracy.

## Disposal Instructions

- Dispose of the sight set responsibly in accordance with local regulations.
- Do not dispose of the sight set in household waste.
- If the sight set is damaged or no longer usable, contact your local waste management authority for

proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding your TRITIUM FIBER OPTIC (TFO) SIGHT SETS FOR GLOCK®, please refer to the manufacturer's contact information provided on the product packaging or the manufacturer's website.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your TRITIUM FIBER OPTIC (TFO) SIGHT SETS FOR GLOCK®. Thank you for your attention to these important safety measures.
