

TRITIUM FIBER OPTIC (TFO) SIGHT SETS FOR GLOCK® - TRUGLO T.F.O. GREEN FRT/REAR GLOCK 20,21,29,30,31,32,37

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Tritium/Fiber Optic (TFO) technology combines the self-illuminating properties of Tritium with the light-gathering capabilities of fiber optics to ensure fast sight acquisition in any light conditions from daylight to complete darkness. Precision-machined, steel body provides excellent strength to handle the rigors of combat or competition. Low-profile design prevents holster snagging. Fits factory dovetails; rear sight includes setscrew for extra-secure installation on slide. Sold in front/rear pairs.

TRITIUM FIBER OPTIC (TFO) SIGHT SETS FOR GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the TRITIUM FIBER OPTIC (TFO) SIGHT SETS for your Glock firearm. This product is designed to enhance your shooting experience by providing fast sight acquisition in various lighting conditions. Please read this safety instruction guide carefully to ensure safe use and optimal performance of your new sight set.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and sights securely to prevent unauthorized access, especially from children.
- Regularly inspect your sights for any signs of damage or wear.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Use only the specified models of Glock firearms listed in the product description to ensure compatibility.
- Ensure proper installation to avoid sight misalignment, which could lead to inaccurate shooting.
- If you notice any unusual performance or damage to the sights, discontinue use immediately and seek professional assistance.
- Avoid using the sights in extreme environmental conditions that may affect their performance, such as extreme heat or moisture.
- Keep the sight area clean and free from debris to maintain optimal visibility.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Glock firearm is unloaded before beginning the installation.
- Remove the existing sights from your firearm using the appropriate tools.
- Align the new TFO sights with the factory dovetails on your Glock.
- Secure the rear sight using the included setscrew to ensure a stable fit.
- Doublecheck the alignment of both front and rear sights before finalizing the installation.

2. Usage:

- Familiarize yourself with the sight picture provided by the TFO sights in different lighting conditions.
- Practice shooting in varied light environments to become accustomed to the sight's performance.
- Regularly check the sights for proper alignment and functionality, especially after extensive use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- If unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the TRITIUM FIBER OPTIC (TFO) SIGHT SETS, please refer to the manufacturer or authorized retailers for assistance.

Conclusion

Your safety is paramount when using any firearm accessory. By following the guidelines and precautions outlined in this document, you can help ensure a safe and enjoyable shooting experience with your TRITIUM FIBER OPTIC (TFO) SIGHT SETS. Thank you for your attention to these important safety measures.
