[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

## **Advanced Sight Systems For All Shooting Conditions, Day & Low Light**

High quality sight systems offer exceptional brightness in a low profile configuration that won't hang up in your holster or slow you down. CNC machined, steel construction provides superior durability for combat or competition. Dovetailed rear with set screw (except Sure-Sight) and screw-on front sight makes replacement of Glock factory sights fast and simple. All sights, except Sure-Sight, match factory sight height. Fiber optic rods produce a brilliant shine in bright and low light conditions without battery power. Contrasting green rear and orange front ensures fast sight recognition and alignment. Rear sight features two individual fibers for maximum surface area to collect ambient light. Rods are recessed and fully protected in the sight channels to survive the toughest blows and remain hidden from your target.

## **Attributes**

- Name: [TRUGLO 131G1 FO BRITE-SITE FOR GLOCK 17,17L,19,22,23,24,26,27,33,](#)

## Safety Instruction Guide

### Introduction

Thank you for choosing the FIBER OPTIC BRITESITE SIGHT SETS FOR GLOCK®. This guide provides essential safety instructions to ensure the safe use and proper handling of your sight set. It is important to read and understand this guide before installation and usage.

### General Safety Guidelines

- Ensure the sight set is installed correctly to avoid any potential hazards during use.
- Regularly inspect the sight for damage or wear. Do not use if damaged.
- Keep the sight set out of reach of children and vulnerable individuals.
- Use only for its intended purpose as described in this guide.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Always handle the sight set with care to avoid injury.
- Do not attempt to modify or alter the sight set in any way.
- When installing or removing the sight, ensure the firearm is unloaded and pointed in a safe direction.
- Be aware of your surroundings and ensure a safe environment when using the firearm equipped with the sight set.
- Use appropriate eye protection when handling the sight set and the firearm.

### Instructions for Installation and Usage

#### 1. Installation

- Ensure the firearm is unloaded.
- Remove the factory sight using a sight pusher or appropriate tool.
- Align the dovetailed rear sight with the slide and secure it with the set screw provided.
- Attach the screw-on front sight, ensuring it is tight and secure.
- Confirm that all sights are positioned correctly and match the factory sight height.

#### 2. Usage

- Familiarize yourself with the sight set before use.
- Practice aiming and aligning the sights in a safe and controlled environment.
- Adjust your shooting stance and grip as necessary to ensure proper sight alignment.

### Disposal Instructions

- Dispose of the sight set responsibly, following local regulations for electronic and metal waste.
- Do not dispose of the sight set in regular household waste.
- Contact local waste management services for guidance on proper disposal methods.

### Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact

their customer service department directly.

Thank you for your attention to these safety instructions. Your safety and the safety of others is paramount. Enjoy your FIBER OPTIC BRITESITE SIGHT SETS FOR GLOCK® responsibly.
