## **Pre-Fit Pads That Take The Hurt Out Of Shotgun Shooting**

Designed to specifically fit a wide variety of rifles, shotguns & muzzleloaders, these recoil pads incorporate anti-muzzle jump technology and reduce up to 70% of felt recoil. These recoil pads are installed in seconds and are built for all-weather conditions. Don't be fooled by competitors who claim to have higher recoil reduction than our pads. Our designs have consistently been proven to outperform every other brand of recoil pad. These no longer come with screws.

# RECOIL PAD LIMBSAVER REM. 700/870/1100/12 GA. 1187, SYNTHETIC Safety Instruction Guide

## Introduction

Thank you for choosing the RECOIL PAD LIMBSAVER REM. 700/870/1100/12 GA. 1187, SYNTHETIC. This guide provides essential safety instructions to ensure the safe use and installation of your recoil pad. Please read this manual thoroughly before use to understand the safety measures and installation procedures.

## General Safety Guidelines

- Ensure that the recoil pad is compatible with your firearm model before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the recoil pad and firearms out of reach of children and unauthorized users.
- Regularly inspect the recoil pad for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure the recoil pad fits your specific firearm model (e.g., Remington 700, 870, 1100, 12 GA. 1187).
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which may lead to accidents.
- **Usage:** Do not exceed the recommended usage limits of the recoil pad. Excessive force or misuse may compromise safety.
- **Storage:** Store the recoil pad in a dry, cool place to prevent material degradation.
- **Inspection:** Before each use, check the recoil pad for any visible damage, such as cracks or tears, and replace if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools (if applicable) for installation.

### 2. Installation:

- Remove the existing recoil pad from your firearm if applicable.
- Align the new recoil pad with the mounting holes of your firearm.
- If required, use the screws (not included) to secure the recoil pad in place.
- Ensure the recoil pad is firmly attached and does not move when tested.

### 3. Usage:

- When using the firearm, ensure a proper grip and stance to maximize the effectiveness of the recoil pad.
- Practice safe shooting habits and always follow firearm safety protocols.

## **Disposal Instructions**

- Dispose of the recoil pad in accordance with local waste management regulations.
- Do not incinerate the recoil pad as it may release harmful substances.
- If the recoil pad is damaged or no longer usable, consider recycling options where available.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy using your RECOIL PAD LIMBSAVER REM. 700/870/1100/12 GA. 1187, SYNTHETIC safely and responsibly.
