

# GLO-DOT XTREME SIGHT - TRUGLO GLO-DOT XTREME

[Shotgun Parts](#) > [Sights](#) > [Front Sights](#)

## High Visibility Glowing Dot No Batteries Required

Magnetically attached, highly visible fiber optic sight provides exceptional sight acquisition in all light conditions. Features four different bases with different internal mounting dimensions that fit a variety of ventilated ribs. Polymer base snaps onto the rib and is held firmly in place with a high-strength magnet for quick installation without screws. Includes one red, green, yellow, and amber fiber optic rod. Rods are easily interchanged using thumb and finger pressure. Notch in base uses factory bead to locate sight correctly along bore axis. Two sets of magnets allow mounting sights on two shotguns with different width ventilated ribs. Universal fit for all shotguns equipped with  $\frac{1}{4}$ " (6.4mm),  $\frac{5}{16}$ " (7.9mm),  $\frac{3}{8}$ " (9.5mm), or  $\frac{1}{2}$ " (12.7mm) wide ventilated ribs. Includes one base of each size.

# GLODOT XTREME SIGHT Safety Instruction Guide

## Introduction

Thank you for purchasing the GLODOT XTREME SIGHT from TRUGLO. This product is designed to enhance your shooting experience by providing exceptional sight acquisition in various lighting conditions. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a sight for shotguns.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the sight and all shooting equipment out of reach of children and unauthorized users.
- Regularly inspect the sight and its components for wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always ensure the shotgun is unloaded before installing or adjusting the sight.
- Use caution when handling the sight, as the magnets are strong and may snap together unexpectedly.
- Avoid placing fingers near the magnets when attaching or detaching the sight to prevent pinching.
- Be aware of your surroundings and ensure that the area is safe before using your shotgun with the sight attached.
- Do not modify the sight or its components in any way, as this could compromise safety and performance.

## Instructions for Installation and Usage

### 1. Installation:

- Choose the appropriate base size that fits your shotgun's ventilated rib. The GLODOT XTREME SIGHT includes four different bases:
  - .260" (6.5mm)
  - .330" (8.4mm)
  - .420" (10.7mm)
  - .520" (13.2mm)
- Ensure the shotgun is unloaded.
- Align the chosen base with the ventilated rib of your shotgun.
- Snap the polymer base onto the rib, ensuring it is held firmly in place by the highstrength magnet.
- Confirm that the sight is correctly aligned along the bore axis using the factory bead.

### 2. Using the Fiber Optic Rods:

- The GLODOT XTREME SIGHT includes four fiber optic rods: one red, one green, one yellow, and one amber.
- To interchange the rods, apply thumb and finger pressure to remove the current rod and replace it with your desired color.
- Ensure that the rod is securely in place before using the shotgun.

### 3. PostInstallation Check:

- After installation, check that the sight is stable and secure.
- Perform a visual inspection to ensure there are no obstructions or misalignments.

## Disposal Instructions

- Dispose of the GLODOT XTREME SIGHT and its components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, utilize designated recycling facilities or hazardous waste disposal services if applicable.

## Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please refer to the manufacturer's contact details provided on the packaging or the official TRUGLO website. Ensure you have the product information ready for a more efficient response.

By adhering to these guidelines, you can ensure safe and effective use of the GLODOT XTREME SIGHT. Thank you for prioritizing safety and enjoying your shooting experience responsibly.
