

# SIG SAUER TRITIUM BRITE-SITE NIGHT SIGHT SETS - TRUGLO TRITIUM BRITE-SITE SIG #8/#8 SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

High quality sight systems offer exceptional brightness in a low profile configuration that won't hang up in your holster or slow you down. CNC machined, steel construction provides superior durability for combat or competition. Dovetailed rear with set screw (except Sure-Sight) and screw-on front sight makes replacement of Glock factory sights fast and simple. All sights, except Sure-Sight, match factory sight height. High quality, self-illuminating, tritium tubes glow bright green so you can find your sights, even in complete darkness. Surrounding white ring shows up well in daylight. Popular, three-dot system provides fast sight alignment in high stress situations. No-snag design for standard, carry holsters.

# SIG SAUER TRITIUM BRITESITE NIGHT SIGHT SET

## Safety Instructions

### Introduction

Thank you for choosing the SIG SAUER TRITIUM BRITESITE NIGHT SIGHT SET. This product is designed to enhance your shooting experience by providing superior visibility in lowlight conditions. To ensure safe and effective use, please read this safety instruction guide carefully.

### General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the sight set.
- Always handle your firearm with care, treating it as if it is loaded, even when it is not.
- Keep the sight set and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of damage or wear. Do not use if damaged.
- Always follow local laws and regulations regarding firearm accessories and usage.

### Specific Safety Precautions for Use

- The tritium tubes are designed to glow brightly in the dark; however, they should not be exposed to extreme heat or direct sunlight for extended periods.
- Avoid using the sight set in environments where it may be subjected to harsh chemicals or corrosive materials.
- Ensure that the sight set is properly installed to avoid misalignment, which could affect shooting accuracy.
- If you experience any issues with the sight set, such as dimming of the tritium tubes or physical damage, discontinue use immediately.

### Instructions for Installation and Usage

#### Installation

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any other tools specified by the firearm manufacturer.
2. **Remove Factory Sights:** Carefully remove the existing sights from your firearm according to the manufacturer's instructions.
3. **Install Rear Sight:** Position the dovetailed rear sight into the designated slot. Secure it with the set screw provided (if applicable).
4. **Install Front Sight:** Align the screwon front sight with the mounting hole and tighten it securely.
5. **Check Alignment:** After installation, ensure that both the front and rear sights are aligned properly for optimal accuracy.

#### Usage

- **Sighting:** Utilize the threedot sighting system to align your target quickly. The bright green tritium tubes will aid visibility in lowlight conditions.
- **Maintenance:** Regularly clean the sight set with a soft cloth to remove any debris or residue that may obstruct visibility.
- **Storage:** When not in use, store your firearm and sight set in a secure location, preferably in a locked safe or cabinet.

## **Disposal Instructions**

- Dispose of the sight set in accordance with local regulations. If the tritium tubes are damaged, handle them with care and consult local authorities for proper disposal methods.
- Do not throw the sight set in regular household waste. Instead, take it to a designated hazardous waste disposal facility if necessary.

## **Contact Information for Further Support**

For any questions or concerns regarding the SIG SAUER TRITIUM BRITESITE NIGHT SIGHT SET, please refer to the product packaging or the manufacturer's website for contact details and further support.

## **Conclusion**

By following these safety instructions, you can ensure the safe use and longevity of your SIG SAUER TRITIUM BRITESITE NIGHT SIGHT SET. Always prioritize safety and compliance with local laws when using firearm accessories. Thank you for your attention to these important guidelines.
