

SIG SAUER TRITIUM BRITE-SITE NIGHT SIGHT SETS - TRUGLO TRITIUM BRITE-SITE SIG #6/#8 SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

High quality sight systems offer exceptional brightness in a low profile configuration that won't hang up in your holster or slow you down. CNC machined, steel construction provides superior durability for combat or competition. Dovetailed rear with set screw (except Sure-Sight) and screw-on front sight makes replacement of Glock factory sights fast and simple. All sights, except Sure-Sight, match factory sight height. High quality, self-illuminating, tritium tubes glow bright green so you can find your sights, even in complete darkness. Surrounding white ring shows up well in daylight. Popular, three-dot system provides fast sight alignment in high stress situations. No-snag design for standard, carry holsters.

Safety Instruction Guide for SIG SAUER TRITIUM BRITESITE NIGHT SIGHT SETS

Introduction

Thank you for choosing the SIG SAUER TRITIUM BRITESITE NIGHT SIGHT SETS by TRUGLO. This product is designed to enhance your shooting experience in lowlight conditions while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions to prevent accidents or injuries.
- Always treat the sight system as if it is loaded. Keep the firearm pointed in a safe direction at all times.
- Use the sight system only on compatible firearms. Verify compatibility with your specific model.
- Check for any visible damage or defects before use. If damaged, do not use the sight system.
- Store the sight system in a safe place, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- The tritium tubes are designed for selfillumination. Do not attempt to open or modify the sight system, as this may expose you to hazardous materials.
- Avoid exposing the sight system to extreme temperatures, moisture, or corrosive substances.
- Ensure that the sight system is securely attached to the firearm before use. Check the tightness of screws and fittings regularly.
- Use caution when installing or removing the sight system to avoid injury from sharp edges or tools.
- If you experience any issues with visibility or functionality while using the sight system, discontinue use and consult a professional.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** You will need a compatible sight tool (if required) and a clean workspace.
2. **Remove Existing Sights:** If replacing factory sights, carefully remove them using the appropriate tools. Follow the manufacturer's instructions for your specific firearm model.
3. **Install Rear Sight:**
 - Align the dovetail on the rear sight with the rear sight cut on the slide.
 - Secure the rear sight using the set screw (if applicable).
4. **Install Front Sight:**
 - Position the front sight in the designated slot.
 - Secure the front sight with the screw provided.
5. **Check Alignment:** Ensure that both sights are aligned correctly for optimal accuracy.

Usage

- When aiming, align the threedot system with your target for fast sight alignment.
- Practice with the sight system in various lighting conditions to become familiar with its performance.
- Always follow firearm safety rules when using your firearm.

Disposal Instructions

- Dispose of the sight system according to local regulations for hazardous materials.
- Do not throw the sight system in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any safety inquiries or support related to this product, please refer to the manufacturer's contact details provided in the product packaging or on their official website.

By adhering to these guidelines, you can ensure the safe and effective use of your SIG SAUER TRITIUM BRITESITE NIGHT SIGHT SETS. Thank you for prioritizing safety in your shooting activities.
