

# S&W M&P FIBER OPTIC BRITE-SITE SIGHT SETS - TRUGLO BRITE-SITE FIBER OPTIC S&W M&P SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

High quality sight systems offer exceptional brightness in a low profile configuration that won't hang up in your holster or slow you down. CNC machined, steel construction provides superior durability for combat or competition. Dovetailed rear with set screw (except Sure-Sight) and screw-on front sight makes replacement of Glock factory sights fast and simple. All sights, except Sure-Sight, match factory sight height. Fiber optic rods produce a brilliant shine in bright and low light conditions without battery power. Contrasting green rear and orange front ensures fast sight recognition and alignment. Rear sight features two individual fibers for maximum surface area to collect ambient light. Rods are recessed and fully protected in the sight channels to survive the toughest blows and remain hidden from your target. Does Not fit .22 Compact, C.O.R.E or VE models.

# S&W M&P Fiber Optic BriteSite Sight Sets Safety Instruction Guide

## Introduction

Thank you for choosing the S&W M&P Fiber Optic BriteSite Sight Sets by TRUGLO. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sight set. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure the sight set is compatible with your firearm model (M&P, M&P Shield, SD9, SD40, Shield).
- Always handle your firearm with care and follow standard firearm safety practices.
- Inspect the sight set for any damage before installation. Do not use if damaged.
- Keep the sight set out of reach of children and unauthorized users.
- Use only as intended; do not modify the sight set or firearm.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Compatibility:** This sight set does not fit .22 Compact, C.O.R.E, or VE models. Ensure your firearm is compatible before use.
- **Installation:** Follow the installation instructions precisely to avoid improper fitting that may affect performance.
- **Visibility:** The fiber optic rods are designed for optimal brightness. Ensure they are clean and free from obstructions for maximum visibility.
- **Environmental Conditions:** Avoid exposing the sight set to extreme conditions (e.g., excessive moisture, extreme temperatures) that may affect performance.
- **Shooting Practices:** Always ensure a proper shooting stance and grip to maintain accuracy and control.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Gather necessary tools (e.g., screwdriver) for installation. Make sure the firearm is unloaded and pointed in a safe direction.
2. **Remove Factory Sights:** Use the appropriate tool to remove the existing sights from your firearm.
3. **Install Rear Sight:** Align the dovetailed rear sight with the designated slot on your firearm. Secure it using the set screw provided (except for SureSight models).
4. **Install Front Sight:** Position the screw on front sight onto the front sight base. Tighten securely but do not overtighten.
5. **Check Alignment:** Ensure both sights are aligned properly for optimal accuracy.
6. **Final Inspection:** Doublecheck all screws and fittings to ensure they are secure.

### Usage

- **Aiming:** Use the contrasting green rear and orange front sights for quick sight recognition and alignment.
- **Maintenance:** Regularly clean the fiber optic rods with a soft, dry cloth to maintain brightness and visibility.
- **Storage:** When not in use, store your firearm in a secure location to prevent unauthorized access.

## **Disposal Instructions**

- Dispose of the sight set in accordance with local regulations.
- Do not throw away in regular household waste. Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided in the product packaging or visit the manufacturer's website.

Thank you for prioritizing safety and responsible firearm use. Enjoy your shooting experience with the S&W M&P Fiber Optic BriteSite Sight Sets.
