

# 1911 TRITIUM FIBER OPTIC (TFO) SIGHT SETS - TRUGLO T.F.O. BRITE-SITE FITS 1911 GOVT 45 GREEN/GREEN

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

## Gathers Light & Illuminates for Maximum Sight Visibility In All Conditions

Tritium/Fiber Optic (TFO) technology combines the self-illuminating properties of Tritium with the light-gathering capabilities of fiber optics to ensure fast sight acquisition in any light conditions from daylight to complete darkness. Precision-machined, steel body provides excellent strength to handle the rigors of combat or competition. Low-profile design prevents holster snagging. Fits Novak Lo-Mount rear dovetail and Novak style front dovetail; rear sight includes setscrew for extra-secure installation on slide. Sold in front/rear pairs.

# Safety Instruction Guide for 1911 TRITIUM FIBER OPTIC (TFO) SIGHT SETS

## Introduction

Thank you for choosing the TRUGLO T.F.O. BriteSite 1911 Tritium/Fiber Optic Sight Sets. This guide provides important safety information and instructions to ensure safe and effective use of your new sight set. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure safe use of the sight sets by following these guidelines:
  - Always handle firearms responsibly and in accordance with local laws.
  - Inspect the sight sets for any damage before installation.
  - Ensure that the firearm is unloaded before attempting to install or adjust the sights.
  - Store the sight sets in a safe place, away from children and unauthorized users.
  - Use only with compatible firearm models as specified in the product description.
  - Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- When using the sight sets, please observe the following precautions:
  - Do not attempt to modify or disassemble the sight sets.
  - Avoid using the sight sets in extreme temperatures or harsh environments.
  - Ensure proper alignment and secure installation to prevent sight misalignment during use.
  - Be aware of your surroundings and ensure a safe shooting environment.
  - Use protective eyewear when shooting to safeguard against potential hazards.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the sight sets:

### 1. Preparation:

- Gather necessary tools, including a screwdriver and any additional tools required for your specific firearm model.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Remove the existing sights from the firearm using appropriate tools.
- Install the rear sight into the Novak LoMount dovetail, ensuring it fits securely.
- Use the included setscrew to secure the rear sight in place.
- Install the front sight into the Novak style front dovetail, ensuring a secure fit.

### 3. Adjustment:

- After installation, check the alignment of the sights.
- Make any necessary adjustments to ensure proper sight alignment for accurate shooting.

### 4. Usage:

- When using the sight sets, focus on the front sight for improved accuracy.

- Practice in different lighting conditions to become familiar with the sighting system.

## **Disposal Instructions**

- Dispose of any packaging materials and old sights in accordance with local waste disposal regulations.
- If the sight sets are damaged beyond repair, dispose of them safely to prevent any potential hazards.

## **Contact Information for Further Support**

- For safety inquiries or support regarding the TRUGLO T.F.O. BriteSite 1911 Tritium/Fiber Optic Sight Sets, please refer to the manufacturer's website or contact their customer service.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with your new sight sets!
