

1911 TRITIUM FIBER OPTIC (TFO) SIGHT SETS - TRUGLO T.F.O. BRITE-SITE FITS 1911 GOVT 45 GREEN/YELLOW

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Gathers Light & Illuminates for Maximum Sight Visibility In All Conditions

Tritium/Fiber Optic (TFO) technology combines the self-illuminating properties of Tritium with the light-gathering capabilities of fiber optics to ensure fast sight acquisition in any light conditions from daylight to complete darkness. Precision-machined, steel body provides excellent strength to handle the rigors of combat or competition. Low-profile design prevents holster snagging. Fits Novak Lo-Mount rear dovetail and Novak style front dovetail; rear sight includes setscrew for extra-secure installation on slide. Sold in front/rear pairs.

Safety Instruction Guide for 1911 TRITIUM FIBER OPTIC (TFO) SIGHT SETS

Introduction

Thank you for choosing the TRUGLO T.F.O. BriteSite 1911 Tritium/Fiber Optic Sight Sets. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new sight set. Please read this manual carefully before use to understand the safety precautions and installation procedures.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model (1911 Government, Commander, or Officers).
- Always handle the firearm with care and follow basic firearm safety rules.
- Inspect the sight set for any damage before installation. Do not use if damaged.
- Keep the sight set out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear protective eyewear when installing or adjusting sights.
- Ensure the firearm is unloaded before installation or maintenance.
- Avoid touching the Tritium rods directly; they are designed to be sealed and should not be tampered with.
- Do not expose the sight set to extreme temperatures or harsh chemicals.
- Use only compatible tools for installation to prevent damage to the sight set or firearm.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a small screwdriver (if needed) and a cleaning cloth.

2. Installation Steps

- Remove the existing sights from your firearm according to the manufacturer's instructions.
- Clean the dovetail area to remove any debris or residue.
- Align the rear sight with the Novak LoMount dovetail and press it into place.
- Secure the rear sight using the provided setscrew to ensure a tight fit.
- Align the front sight with the Novak style dovetail and press it into place.
- Ensure both sights are level and properly aligned for accurate aiming.
- Tighten any screws or setscrews securely, but avoid overtightening.

3. Usage

- Familiarize yourself with the sighting system in a safe environment before using it in the field.
- Practice aiming with the new sights in various lighting conditions to understand their performance.
- Regularly inspect the sights for any signs of wear or damage during routine firearm maintenance.

Disposal Instructions

- Dispose of the sight set in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not attempt to dismantle or incinerate the Tritium rods, as they contain radioactive materials.

Contact Information for Further Support

- For any questions or concerns regarding the product, please refer to the manufacturer's customer service or website for assistance.

Thank you for prioritizing safety and following these guidelines. Enjoy your new TRUGLO T.F.O. BriteSite 1911 Tritium/Fiber Optic Sight Sets responsibly!
