## Compact and Durable, the Perfect Aftermarket Sight

The TFX tritium sight by TruGlo provides shooters a nearly indestructible sight that is virtually always visible. The rust-proof Fortress Finish protects the CNC-machined steel body, while the illuminating elements are encased in a capsule that is chemical and shock resistant. TFX sights glow in the dark and require no batteries. Compact snag-free design Impervious to oils, chemicals, cleaning solvents and ultra-sonic cleaning processes Unmatched visibility in all shooting conditions This TFX tritium sight set is compatible with the CZ 75 Series but is NOT compatible with the CZ 75 Tactical Sport

# TFX TRITIUM SIGHT SET CZ 75 Safety Instruction Guide

## Introduction

Thank you for choosing the TFX Tritium Sight Set for your CZ 75. This guide provides important safety information and instructions to ensure the safe and effective use of your new sight set. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always handle firearms with care and in accordance with local laws and regulations.
- Ensure that the firearm is unloaded before installing or adjusting the sights.
- Use the TFX Tritium Sight Set only on compatible models, specifically the CZ 75 Series.
- Keep the sight set away from children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear before use.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- The TFX Tritium Sight Set is designed for optimal visibility in lowlight conditions. Do not rely solely on the sights in complete darkness.
- Avoid exposing the sight set to extreme temperatures or harsh chemicals that may affect its performance.
- Do not attempt to modify or disassemble the sight set, as this may compromise its safety and effectiveness.
- Ensure that the sight set is properly installed to avoid misalignment during use.
- If you experience any discomfort or adverse reactions while using the sight set, stop using it immediately and consult a professional.

## Instructions for Installation and Usage

### Installation Instructions

1. **Prepare Your Firearm:** Ensure that your CZ 75 is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** If applicable, carefully remove any existing sights from your firearm using appropriate tools.
3. **Install TFX Sights:**
  - Align the TFX Tritium Sight Set with the mounting points on your CZ 75.
  - Gently press or tap the sights into place, ensuring they are securely fitted.
  - Check the alignment of the sights before tightening any screws or fasteners.
4. **Secure the Sights:** If applicable, use screws or other fasteners to secure the sights in place according to your firearm's specifications.
5. **Final Check:** Confirm that the sights are stable and properly aligned before using the firearm.

### Usage Instructions

- Familiarize yourself with the sighting system and practice using it in a safe environment.
- Adjust your shooting stance and grip as necessary to accommodate the use of the TFX sights.
- Regularly practice with the sights to maintain proficiency.

## **Disposal Instructions**

- Dispose of the TFX Tritium Sight Set in accordance with local regulations for electronic waste.
- Do not dispose of the sight set in regular household waste.
- Contact a local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the TFX Tritium Sight Set, please refer to the manufacturer's website or customer support resources for assistance.

This safety instruction guide is designed to help you use the TFX Tritium Sight Set safely and effectively. By following the guidelines and instructions provided, you can ensure a positive experience with your new sight set. Thank you for your attention to safety!
