

WALTHER TFX TRITIUM SIGHT SETS - TRUGLO TFX TRITIUM SIGHT SET WALTHER PPS

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Compact Design, Oversized Features

TFX tritium sights are full of features, while remaining compact. The snag-free design also offers a longer sight radius than the original TFO sight. The CNC-machined steel exterior features the Fortress Finish, a rust-proof coating making the sight virtually impervious to chemicals, oils, cleaning solvents, and ultra-sonic cleaning methods. The illumination components of the TFX tritium sights are fully contained in a shock and chemical-resistant capsule, making them almost indestructible. A white ring surrounds the front sight for maximum visibility. Battery-free operation. Unmatched visibility in all shooting conditions. This TFX tritium sight is compatible with Walther handguns.

Specific Safety Precautions for Use

- Always ensure that the sights are properly installed on your Walther handgun before use.
- Inspect the sights regularly for any signs of damage or wear. Do not use damaged sights.
- Ensure that the illumination components are functioning correctly. If the sights do not illuminate as expected, discontinue use and consult a professional.
- Avoid exposing the sights to extreme temperatures or harsh chemicals, as this may affect their performance.
- Use the sights only for their intended purpose. Do not modify or attempt to repair them yourself.
- Always handle your firearm safely and responsibly, following all local laws and regulations.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure your handgun is unloaded and pointed in a safe direction.
2. **Remove Old Sights:** If applicable, carefully remove the old sights using appropriate tools.
3. **Align New Sights:** Position the WALTHER TFX tritium sights in the sight dovetail.
4. **Secure the Sights:** Use the appropriate screws or mechanisms to secure the sights in place. Ensure they are tightly fitted but do not overtighten.
5. **Check Alignment:** Confirm that the sights are aligned correctly for optimal accuracy.

Usage Instructions

- **BatteryFree Operation:** The TFX tritium sights do not require batteries, providing consistent illumination in all conditions.
- **Visibility:** The white ring surrounding the front sight enhances visibility, especially in lowlight situations.
- **Shooting Conditions:** Use the sights in various shooting conditions, as they are designed to provide unmatched visibility.

Disposal Instructions

- When disposing of the WALTHER TFX tritium sights, follow local regulations for disposal of electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, consult local authorities for safe disposal methods.
