# TRITIUM NIGHT SIGHT SETS FOR GLOCK® Safety Instruction Guide

## Introduction

Thank you for choosing the TRITIUM NIGHT SIGHT SETS FOR GLOCK® by TRUGLO. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your tritium night sights. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the tritium night sights are compatible with your specific Glock model.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product away from children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear before use.
- Do not attempt to disassemble or modify the sights in any way.
- If you notice any malfunction or damage, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- The tritium night sights are designed for lowlight conditions. Ensure that you are familiar with their operation before using them in the field.
- Always ensure that your firearm is unloaded when installing or adjusting the sights.
- Use appropriate tools as specified in the installation instructions to avoid damaging the sights or your firearm.
- Be mindful of the tritium gas contained within the sights; while it is safe under normal use, do not attempt to break or puncture the sights.
- If the sight is damaged and the tritium gas is released, avoid direct contact and seek medical attention if necessary.

## Instructions for Installation and Usage

### Installation Steps

1. **Prepare Your Firearm:** Ensure that your Glock is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** Use a sight pusher tool or appropriate method to remove the existing sights.
3. **Clean the Sight Area:** Wipe the sight dovetail with a clean cloth to remove any debris or residue.
4. **Install Tritium Night Sights:**
  - Align the tritium night sight in the dovetail.
  - Gently press or use a sight pusher tool to secure the sight in place.
5. **Check Alignment:** Ensure that the sights are properly aligned for accurate aiming.
6. **Secure the Sight:** If applicable, use any set screws or retention mechanisms to secure the sight.
7. **Test Functionality:** After installation, check the functionality of the sights in lowlight conditions.

### Usage Guidelines

- Use the sights as intended for aiming and targeting in lowlight environments.
- Familiarize yourself with the sight picture and operation before engaging in any shooting activities.
- Practice regularly to ensure proficiency with the new sights.

## Disposal Instructions

- Dispose of the tritium night sights in accordance with local regulations regarding hazardous materials.

- If the sights are damaged, contact your local waste management authority for proper disposal methods.
- Do not throw the sights in regular trash; ensure they are disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For any inquiries regarding the TRITIUM NIGHT SIGHT SETS FOR GLOCK®, please refer to the manufacturer's website or customer support resources. Ensure that you have the product details ready for a prompt response.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of your TRITIUM NIGHT SIGHT SETS FOR GLOCK®. Your safety and the safety of others should always be your top priority. Thank you for choosing TRUGLO.
