# Safety Instruction Guide for TAURUS TRITIUM NIGHT SIGHT SETS

## Introduction

Thank you for choosing the TAURUS TRITIUM NIGHT SIGHT SETS by TRUGLO. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only with compatible Taurus handguns.
- Always handle firearms with care and follow all standard firearm safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear before each use.

## Specific Safety Precautions for Use

- **Visibility:** The tritium night sights are designed to provide maximum brightness in lowlight conditions. However, they may not be fully visible in bright sunlight.
- **Snag Resistance:** Although the sights are designed to be snag resistant, avoid any situations where the sights could catch on clothing or other objects.
- **BatteryFree Design:** These sights do not require batteries, but ensure they are not exposed to extreme temperatures or harsh chemicals that could affect their performance.
- **Installation:** Improper installation may result in malfunction or decreased visibility. Follow the installation instructions carefully.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from your Taurus handgun according to the manufacturer's instructions.
- Align the new tritium night sights with the sight dovetail.
- Secure the sights in place using the appropriate tools, ensuring they are snug but not overtightened.
- Check the alignment and make any necessary adjustments.

### 2. Usage:

- Familiarize yourself with the sight picture before using the firearm in a live environment.
- Practice aiming in various lighting conditions to understand how the sights perform.
- Regularly clean the sights with a soft cloth to maintain visibility.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not incinerate or dispose of in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the TAURUS TRITIUM NIGHT SIGHT SETS, please refer to the official TRUGLO website or your local distributor for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your TAURUS TRITIUM NIGHT SIGHT SETS. Always prioritize safety and stay informed about the best practices for handling firearms. Thank you for choosing TRUGLO.
