Safety Instruction Guide for 1/2" Picatinny Riser Mount

Introduction

Thank you for choosing the 1/2" Picatinny Riser Mount by TruGlo. This product is designed to enhance your shooting experience by providing a stable and elevated mounting surface for your optics. To ensure the safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the mounting surface is clean and free of debris before installation.
- Regularly inspect the riser mount for signs of wear or damage before each use.
- Keep the product out of reach of children and unauthorized users.
- Do not modify the riser mount in any way, as this may compromise its safety and effectiveness.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the riser mount is securely attached to the Picatinny rail before mounting any optics.
- Use only compatible optics that are designed for use with Picatinny rails.
- Avoid using excessive force when tightening screws to prevent damage to the mount or rail.
- Always check the alignment of the optic after installation to ensure proper sighting.
- Be aware of your surroundings and ensure that the shooting area is safe and secure.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a screwdriver and any additional hardware that may be required.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation

- Locate the Picatinny rail on your firearm.
- Align the riser mount with the desired position on the rail.
- Secure the riser mount by tightening the screws evenly. Do not overtighten.
- Doublecheck that the riser mount is firmly attached and does not move.

3. Mounting Optics

- Place your optic onto the riser mount.
- Follow the manufacturer's instructions for securing the optic to the mount.
- Ensure the optic is at the correct height for your shooting position.

4. Final Checks

- Inspect the entire setup to confirm that everything is secure and properly aligned.
- Perform a function check to ensure that the firearm operates correctly with the mounted optic.

Disposal Instructions

- When the product reaches the end of its life cycle, dispose of it in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the use of the 1/2" Picatinny Riser Mount, please refer to the manufacturer's contact information provided with your purchase. Always ensure that you are following the latest safety guidelines and recommendations.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the 1/2" Picatinny Riser Mount by TruGlo!
