

3/4" PICATINNY RISER MOUNT - TRUGLO 3/4" PICATINNY RISER MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Achieve Proper Shooting Posture

The TruGlo 3/4" Picatinny riser mount is easily installed without any modification. The riser is ideal for mounting traditional optics but works well with red dot style sights as well. The 3/4" Picatinny riser mount is perfect for a Flattop AR-15 application, where additional height is often needed to put shooters in a proper position to use an optic. CNC-machined aluminum Raises mounting surface 3/4" Approximately 4" in length The 3/4" Picatinny riser mount by TruGlo is mounted directly to the existing Picatinny-style rail.

Safety Instruction Guide for TruGlo 3/4" Picatinny Riser Mount

Introduction

Thank you for choosing the TruGlo 3/4" Picatinny Riser Mount. This guide provides essential safety instructions and information to ensure the safe and effective use of your riser mount. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is suitable for your firearm and intended use.
- Always follow the manufacturer's instructions for installation and usage.
- Inspect the riser mount regularly for signs of wear or damage.
- Store the riser mount in a safe, dry place when not in use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the riser mount only with compatible optics and firearms.
- Do not exceed the weight limit of the riser mount as specified by the manufacturer.
- Avoid using the riser mount in extreme weather conditions that may affect its performance.
- Ensure that all mounting screws are tightened securely before use.
- Do not modify or alter the riser mount in any way.
- If you experience any difficulty during installation or use, cease operation immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. **Preparation:** Gather all necessary tools, including a screwdriver and any additional equipment required for your specific firearm.
2. **Positioning:** Align the riser mount with the existing Picatinny style rail on your firearm.
3. **Mounting:**
 - Place the riser mount on the rail.
 - Ensure that the mount is oriented correctly for your optic.
4. **Securing:**
 - Use the provided screws to secure the riser mount to the rail.
 - Tighten screws securely, but do not overtighten to avoid damaging the mount or rail.
5. **Final Check:** Inspect the installation to ensure it is secure and properly aligned.

Usage

- Once installed, test the stability of the riser mount with your optic attached.
- Always check the alignment and security of the mount before each use.
- Familiarize yourself with your firearm's operation and the functionality of the optic mounted on the riser.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the riser mount is damaged or no longer usable, do not attempt to repair it.

- Consider recycling materials where possible.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's website or your local retailer. Ensure that you have your product details ready for quicker support.

By following these safety instructions, you can enjoy the benefits of your TruGlo 3/4" Picatinny Riser Mount while ensuring safe usage. Thank you for your attention to these important guidelines.
