

1" PICATINNY RISER MOUNT - TRUGLO 1" PICATINNY RISER MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Easy Mounting Solution for the AR-15 Flattop

The TruGlo 1" Picatinny riser mount is great for any AR-15 Flattop. Because AR-15 style rifles lack any drop at the comb, proper shooting posture for optics use can be difficult. The riser elevates the mount surface 1" to place the optic in a more natural position. The 1" Picatinny riser mount attached directly to the existing Picatinny-style rail. CNC-machined aluminum. Length is about 4". Raises mounting surface 1". The 1" Picatinny riser mount can be used to mount red dot style sights, but it is ideal for scopes.

Attributes

- Name: [TRUGLO 1" PICATINNY RISER MOUNT](#)
- Manufacturer: [TRUGLO](#)
- Product no.: 902000218
- Mfr. No.: TG-TG8990B

TruGlo 1" Picatinny Riser Mount Safety Instructions

Introduction

Thank you for choosing the TruGlo 1" Picatinny Riser Mount. This product is designed to enhance your shooting experience by providing a stable and elevated platform for your optics. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms with care and treat every firearm as if it is loaded.
- Ensure that your shooting area is safe and free from obstructions.
- Be aware of your surroundings and ensure that there are no unauthorized persons in the vicinity while shooting.
- Use only compatible optics with the riser mount to avoid accidents.
- Regularly inspect the riser mount for any signs of damage or wear before use.

Specific Safety Precautions for Use

- Only use the riser mount with firearms that are designed to accept Picatinny style rails.
- Ensure that the riser mount is securely attached to the firearm before use.
- Do not exceed the manufacturer's weight limit for optics mounted on the riser.
- Avoid using the riser mount in extreme weather conditions that may affect its integrity.
- Keep the riser mount and optics free from dirt and debris to ensure proper function.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** You will need a suitable screwdriver for the mounting screws.
2. **Prepare the Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction.
3. **Locate the Picatinny Rail:** Identify the Picatinny rail on your AR15 Flattop.
4. **Position the Riser Mount:** Align the riser mount with the desired position on the rail.
5. **Secure the Riser Mount:**
 - Insert the mounting screws into the appropriate holes.
 - Tighten the screws securely, but do not overtighten as this may damage the mount or rail.
6. **Check Stability:** Verify that the riser mount is firmly attached and does not move when pulled or pushed.

Usage

- Once installed, carefully attach your optic to the riser mount following the optic manufacturer's instructions.
- Regularly check the tightness of the mounting screws during use to ensure stability.
- Practice safe shooting techniques and maintain proper posture when using optics.

Disposal Instructions

- Dispose of the riser mount in accordance with local regulations.
- Do not dispose of the riser mount in regular household waste if it is damaged or no longer functional.
- Consider recycling aluminum components if facilities are available in your area.

Contact Information for Further Support

For any questions or concerns regarding the TruGlo 1" Picatinny Riser Mount, please consult the manufacturer's website or your point of purchase for assistance.

Thank you for prioritizing safety and responsible use. Enjoy your shooting experience!
