

# 1" 2 PIECE PICATINNY RISER MOUNT - TRUGLO 1" 2 PIECE PICATINNY RISER MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

## Elevate the Scope

The TruGlo 1" 2-piece Picatinny riser mount raises the mounting surface by 1" while limiting additional weight. The 2-piece design reduces adding weight by using 30% less mounting surface than the 1-piece riser. The riser is CNC-machined aluminum. The 1" 2-piece Picatinny riser mount is ideal for mounting scopes, but can be used when mounting red dot style sights as well. Each piece measures about 1.36" Raises mounting surface 1" Mounts directly to existing Picatinny-style rail. The 1" 2-piece Picatinny riser mount by TruGlo is great for any AR-15 Flattop.

# TruGlo 1" 2Piece Picatinny Riser Mount Safety Instruction Guide

## Introduction

Thank you for choosing the TruGlo 1" 2piece Picatinny riser mount. This product is designed to enhance your shooting experience by providing a reliable mounting solution for scopes and red dot sights. To ensure safe usage and optimal performance, please follow the safety guidelines and instructions outlined in this guide.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a riser mount for scopes and sights.
- Regularly inspect the riser mount for any signs of wear or damage before each use.
- Keep the product out of reach of children to prevent accidental injury.
- Always handle firearms and related accessories responsibly and in accordance with local laws and regulations.
- Report any unsafe products or incidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
- Do not exceed the recommended weight limit for the riser mount.
- Avoid using the riser mount in extreme weather conditions that may affect its performance.
- Ensure that all mounting screws are tightened securely before use.
- Do not modify the riser mount or use it in any manner not specified in this guide.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a screwdriver suitable for the mounting screws.
- Ensure that the firearm is unloaded and in a safe position.

### 2. Installation:

- Position the riser mount on the existing Picatinny-style rail of your firearm.
- Align the mounting holes of the riser mount with the slots on the rail.
- Insert the mounting screws through the riser mount into the rail.
- Tighten the screws securely, ensuring that the riser mount is firmly attached.

### 3. Mounting Scopes or Sights:

- Once the riser mount is installed, position your scope or red dot sight on the riser.
- Follow the manufacturer's instructions for securing the optic to the riser mount.
- Doublecheck that all screws are tightened and that the optic is secure before use.

### 4. PostInstallation Check:

- Inspect the installation to ensure there are no loose components.
- Perform a function check to ensure that the firearm operates correctly with the mounted optic.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and metal recycling.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For further assistance regarding the TruGlo 1" 2piece Picatinny riser mount, please refer to the manufacturer's website or contact their customer support.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the TruGlo riser mount!
