

45[™] PICATINNY RISER MOUNT - TRUGLO 45 PICATINNY RISER MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Take the Best Angle

The 45° Picatinny riser mount by TruGlo is the perfect solution to keeping your primary sight line open when a backup optic or accessories are also being used. When mounted to any standard Picatinny or Weaver-style rail, the riser provides seamless transition to a secondary optic, light, or laser, while the slim design minimizes additional weight and bulk. The 45° Picatinny riser mount is constructed of CNC-machined 6061-T6 aluminum. 45° angled mount Allows for fast transitions to alternate sighting system Keeps primary sight line uncluttered The TruGlo 45° Picatinny riser mount can be mounted in any configuration: left or right side, top or bottom rail.

Safety Instruction Guide for the 45° Picatinny Riser Mount by TruGlo

Introduction

Thank you for choosing the 45° Picatinny Riser Mount by TruGlo. This product is designed to enhance your shooting experience by allowing for quick transitions between different sighting systems. To ensure your safety and the optimal performance of this product, please read and follow these guidelines carefully.

General Safety Guidelines

- Always handle the riser mount with care to prevent injury.
- Ensure that the mount is installed correctly to avoid accidents during use.
- Regularly inspect the mount for signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the mount only with compatible Picatinny or Weaverstyle rails.
- Avoid overtightening screws during installation to prevent damage.
- Do not modify the mount in any way, as this can compromise safety.
- Ensure that all accessories attached to the riser mount are securely fastened.
- Do not exceed the manufacturer's recommended weight limit for accessories.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver.
- Ensure the mounting area is clean and free of debris.

2. Installation:

- Position the riser mount on the desired rail (Picatinny or Weaverstyle).
- Align the mount so that it is level and in the desired angle.
- Secure the mount by tightening the screws evenly. Do not overtighten.

3. Usage:

- Once installed, check the stability of the mount before using it.
- When transitioning to an alternate sighting system, do so smoothly to maintain control.
- If using additional accessories, ensure they do not obstruct the primary sight line.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the aluminum material if possible.

Contact Information for Further Support

For any questions or concerns regarding the 45° Picatinny Riser Mount, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your TruGlo 45° Picatinny Riser Mount. Thank you for your attention to safety.
