TFX TRITIUM FIBER OPTIC SIGHT SETS FOR GLOCK® TRUGLO TFX HANDGUN SIGHTGLOCK SMALL FRAME Safety Instructions

Introduction

Thank you for choosing the TFX Tritium Fiber Optic Sight Sets for your Glock® handgun. These sights are designed to enhance your shooting experience with improved visibility and accuracy. It is important to follow the safety guidelines and instructions provided in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the sight is installed correctly before using your firearm.
- Regularly inspect your sight for any signs of damage or wear.
- Keep the sight clean and free from debris to maintain optimal performance.
- Store your firearm in a secure location, away from children and unauthorized users.
- Be aware of your surroundings and ensure that you are in a safe environment when handling your firearm.

Specific Safety Precautions for Use

- The TFX sights are designed for use with Glock® handguns only. Ensure compatibility with your specific model.
- Avoid using the sights in extreme conditions (e.g., excessive heat or cold) that may affect their performance.
- Do not attempt to disassemble or modify the sight. Doing so may void the warranty and compromise safety.
- If the sight becomes damaged, discontinue use immediately and contact a qualified gunsmith for evaluation.
- Always wear appropriate eye protection when using your firearm.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Make sure your firearm is unloaded and pointed in a safe direction.
2. **Remove Old Sights:** If applicable, carefully remove the existing sights from your Glock® handgun using appropriate tools.
3. **Clean the Sight Base:** Ensure that the sight base is clean and free from any debris or residue.
4. **Install TFX Sights:**
 - Align the front sight with the designated slot on the slide.
 - Press or tap the sight into place using a sight pusher tool to avoid damage.
 - Install the rear sight in the same manner, ensuring it is aligned properly for optimal sight picture.
5. **Secure the Sights:** Doublecheck that both sights are securely installed and do not move when pressure is applied.

Usage

- When aiming, ensure that the front sight is aligned with the rear sight and that the target is in focus.
- Utilize the glowinthedark feature in lowlight conditions for enhanced visibility.
- Practice regularly to become familiar with the sight picture and improve accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Contact your local waste management authority for guidance on the proper disposal of materials containing Tritium.
