TFX is the next generation of TRUGLO's award winning TFO handgun sights. The TFX carries over the TFO technology, for 24 hour usability. The glow-in-the-dark Swiss Tritium and fiber optic combination offers unparalleled visibility. Sealed TFX capsule protects Tritium and fiber optic from oils, chemicals and cleaning solvents. White focus lock ring on the front sight allows for rapid sight acquisition. All of the CNC-machined steel is protected with a rust proof Fortress Finish. The TFX for Kimber 1911s fits factory Kimber Government model handguns.

## General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure that the firearm is unloaded before installing or adjusting the sights.
- Use the sights only with compatible firearms as specified.
- Store this product in a safe and secure location, away from children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm usage and modifications.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to misalignment, affecting accuracy.
  - Exposure to harsh chemicals may damage the sight.
  - The sight contains Swiss Tritium, which should not be tampered with or exposed to extreme heat or pressure.
- **Avoiding Hazards:**
  - Always follow the installation instructions provided in this guide.
  - Do not attempt to disassemble or modify the sight.
  - Keep the sight clean and free from oils and solvents that may damage its components.
  - Ensure the sight is securely attached before using the firearm.
- **Age Specific Warnings:**
  - This product is intended for use by individuals aged 18 and over.
  - Ensure that minors are supervised when handling firearms and related accessories.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Prepare Your Firearm:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights if applicable.

#### 2. Attach the TFX Sight:

- Align the TFX sight with the dovetail of your Kimber 1911 Government model.
- Use a sight pusher tool or a suitable hammer and punch to gently tap the sight into place.
- Ensure the sight is securely positioned without any movement.

### 3. **Check Alignment:**

- Once installed, visually inspect the alignment of the sight.
- Make any necessary adjustments by repeating the installation process if needed.

## **Usage Instructions**

- **Sight Acquisition:**

- Use the white focus lock ring on the front sight for rapid sight acquisition.
- Ensure proper eye alignment with the rear sight for optimal accuracy.

- **Maintenance:**

- Regularly clean the sight with a soft cloth to remove dust and debris.
- Avoid using harsh chemicals; instead, use a mild soap solution if necessary.

- **Storage:**

- Store the firearm with the sight installed in a secure location.
- Avoid exposing the sight to extreme temperatures or moisture.

## **Disposal Instructions**

- Dispose of the sight in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not attempt to disassemble the sight or dispose of it in regular household waste.
- Contact your local waste disposal authority for guidance on safe disposal methods.
