

# S&W M&P TFX TRITIUM FIBER OPTIC SIGHT SET - TRUGLO TFX HANDGUN SIGHT-S&W M&P SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

TFX is the next generation of TRUGLO's award winning TFO handgun sights. The TFX carries over the TFO technology, for 24 hour usability. The glow-in-the-dark Swiss Tritium and fiber optic combination offers unparalleled visibility. Sealed TFX capsule protects Tritium and fiber optic from oils, chemicals and cleaning solvents. White focus lock ring on the front sight allows for rapid sight acquisition. All of the CNC-machined steel is protected with a rust proof Fortress Finish. The TFX for Smith & Wesson M&P handguns fits full-size M&P models.

# S&W M&P TFX TRITIUM FIBER OPTIC SIGHT SET Safety Instructions

## Introduction

Thank you for choosing the S&W M&P TFX Tritium Fiber Optic Sight Set by TRUGLO. This product is designed to enhance your shooting experience by providing superior visibility in various lighting conditions. Please read this safety instruction guide carefully to ensure safe and effective use of your new sights.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the sight.
- Inspect the sight for any damage or defects before use.
- Keep the sight out of reach of children and unauthorized users.
- Use the sight only on compatible firearms as specified in the product description.
- Follow all local laws and regulations regarding firearm modifications and use.

## Specific Safety Precautions for Use

- The TFX sights are designed for use on Smith & Wesson M&P fullsize handguns only. Ensure compatibility before installation.
- Avoid exposing the sights to extreme temperatures or harsh chemicals.
- Do not attempt to disassemble or modify the sight, as this may compromise its safety and functionality.
- Regularly check the sights for any signs of wear or damage, especially after extended use.
- If the sight appears to be malfunctioning, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from the firearm using appropriate tools.
- Align the new TFX sight with the sight dovetail on the firearm.
- Gently tap the sight into place using a sight pusher or a nonmarring tool.
- Ensure the sight is secure and properly aligned before use.

### 2. Usage

- Familiarize yourself with the sighting system before heading to the range.
- Adjust your shooting stance and grip to accommodate the new sight.
- Use the white focus lock ring for rapid sight acquisition.
- Practice shooting in different lighting conditions to understand the sight's capabilities.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not throw the sight in regular household waste. Check for recycling programs or hazardous waste disposal options if applicable.

## Contact Information for Further Support

For any safety inquiries or additional support regarding your S&W M&P TFX Tritium Fiber Optic Sight

Set, please refer to the manufacturer's website or contact their customer service directly.

By following these safety instructions, you can ensure a safe and enjoyable experience with your S&W M&P TFX Tritium Fiber Optic Sight Set. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
