

1911 TFX TRITIUM FIBER OPTIC SIGHT SETS - TRUGLO SIGHTS FIT 1911 5" GOV 45ACP LOW MOUNT .260/.450

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

TFX is the next generation of TRUGLO's award winning TFO handgun sights. The TFX carries over the TFO technology, for 24 hour usability. The glow-in-the-dark Swiss Tritium and fiber optic combination offers unparalleled visibility. Sealed TFX capsule protects Tritium and fiber optic from oils, chemicals and cleaning solvents. White focus lock ring on the front sight allows for rapid sight acquisition. All of the CNC-machined steel is protected with a rust proof Fortress Finish. The TFX for 1911 handguns fits various models, with Novak cuts.

Safety Instruction Guide for 1911 TFX Tritium Fiber Optic Sight Sets

Introduction

Thank you for choosing the 1911 TFX Tritium Fiber Optic Sight Sets by TRUGLO. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your new sights. Please read this guide carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the sight sets by following all instructions provided. These sights are designed for nonfood products and comply with EU regulations.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to your product. Check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra caution is advised for vulnerable groups, including children. Keep all packaging and small parts away from children.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer.
- **Rapid Alerts:** Be aware that unsafe products may be reported through the Safety Gate system, providing faster updates on potential hazards.

Specific Safety Precautions for Use

- **Installation:** Ensure that the sights are installed by a qualified gunsmith or follow the installation instructions carefully to avoid improper fitting.
- **Handling:** Always handle firearms safely. Treat every firearm as if it is loaded, and always point it in a safe direction.
- **Visibility:** The TFX sights are designed for enhanced visibility. Ensure that they are clean and free of obstructions for optimal performance.
- **Maintenance:** Regularly check the sights for any signs of wear or damage. Do not use damaged sights as they may compromise safety.
- **Compatibility:** Ensure that the sights are compatible with your specific model of 1911 handgun (Government, Commander, Officers) before installation.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation, including a sight pusher if applicable.
- Clean the area around the sight mounting location on your firearm.

2. Installation:

- Remove the existing sights from your 1911 handgun using appropriate tools.
- Align the new TFX sights with the mounting dovetail.
- Gently press or tap the sights into place, ensuring they are securely fitted.
- Check alignment by looking down the barrel to ensure proper sight picture.

3. Usage:

- Familiarize yourself with the sight picture by practicing at a safe shooting range.
- Adjust your aim as necessary to account for the sight's design and your shooting style.
- Regularly check the sights for functionality before each use.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the sights become damaged beyond repair, dispose of them in accordance with local regulations for hazardous materials, as they may contain Tritium.

Contact Information for Further Support

For any questions or concerns regarding the 1911 TFX Tritium Fiber Optic Sight Sets, please refer to the contact information provided by your retailer or manufacturer.

Thank you for your attention to these safety instructions. Enjoy your new sights and shoot safely!
