

TFX PRO SIGHT SETS FOR GLOCK® - TRUGLO TFX PRO SET GLOCK® 17/17L/19/22/23/24/26/27/33/34/35/38/39

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

The TFX Pro Night Sights are constructed with duty or military use in mind. These sights feature both a Tritium vial for constant illumination, as well as fiber optic rods that amplify ambient light. Not only do these sights have both Tritium vials and fiber optics, but they are hermetically sealed in a redesigned TFX capsule, that provides superior protection against oils, chemicals and cleaning solvents. No more worrying about damaging your sights when cleaning! Front Sight features an orange outline, providing a contrast in colors and faster target acquisition. Rear sights features a U-notch design and angled front face for emergency slide racking. Sight bodies are CNC machined steel and have a Truglo "fortress" finish. TFX Pro Sights sets are Made in the USA, using Swiss Tritium.

TFX PRO SIGHT SETS FOR GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the TFX Pro Sight Sets for Glock®. This guide provides essential safety instructions to ensure the safe and effective use of your sights. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Always handle your firearm and its accessories with care and in accordance with local laws and regulations.
- Ensure that the sights are compatible with your specific Glock® model before installation.
- Keep the sights out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- If you notice any issues with the sights, discontinue use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the sights in any way, as this may compromise their safety and functionality.
- Avoid exposing the sights to extreme temperatures or harsh chemicals that could damage the materials.
- Ensure that the firearm is unloaded before installing or adjusting the sights.
- Be cautious when cleaning your firearm to avoid damaging the sights; use appropriate cleaning solutions that are safe for use with optical components.
- Always wear appropriate eye protection when handling firearms and accessories.

Instructions for Installation and Usage

1. Installation of TFX Pro Sights:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights using a sight tool or appropriate method.
- Align the TFX Pro front sight with the dovetail slot on the slide and press it into place.
- Install the rear sight in the same manner, ensuring proper alignment with the front sight.
- Secure the sights according to the manufacturer's specifications.

2. Usage of TFX Pro Sights:

- Familiarize yourself with the sight picture before using your firearm in a live setting.
- Practice target acquisition in various lighting conditions to understand the capabilities of the Tritium and fiber optic features.
- Regularly check the sights for proper alignment and functionality before use.

Disposal Instructions

- Dispose of the TFX Pro Sights in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the sights in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the TFX Pro Sight Sets, please reach out to the manufacturer or your point of purchase. Ensure you have your product details ready for reference.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are our top priorities.
